Instructions for Form 4905

Insurance Company Annual Return for Corporate Income and Retaliatory Taxes

Purpose

To calculate premiums tax levied on insurance companies under the Corporate Income Tax and to claim credits against that tax. Foreign insurers must also compare burdens in order to determine if retaliatory tax is due, and calculate that tax, if due.

Effects of Public Act 222 of 2018

PA 222 of 2018 amends MCL 206.635, which levies a tax on insurance companies equal to 1.25% of gross direct premiums written on risk located or residing in Michigan. Beginning Jan. 1, 2019, gross direct premiums attributable to qualified health insurance premiums are taxed at 0.95%. (See the instructions under "Direct Premiums Written in Michigan" for a definition of qualified health insurance policies.) The remaining portion of the tax base is still taxed at 1.25%.

Retaliatory Instructions

For foreign and alien insurers only; domestic insurers skip lines 31 through 45.

Do not mail this return with the Michigan Annual Financial Statement.

Foreign insurers must pay to Michigan the same type of obligation a similar Michigan insurer is required to pay in the company’s state of domicile. Enter all items that are required of a Michigan insurance company. Some taxes and obligations imposed in other states may have no corresponding requirement in Michigan; however, this does not relieve the foreign insurer from the obligation of computing and paying the correct amount of the tax.

Do not include the following Michigan assessments, or comparable assessments in the company’s state of incorporation, in the retaliatory calculation:

- Michigan Worker’s Compensation Placement Facility
- Michigan Basic Property Insurance Association
- Michigan Automobile Insurance Placement Facility
- Property and Casualty Guaranty Association
- Michigan Life and Health Insurance Guaranty Association

- Catastrophic Claims Association
- Assessment under Health Insurance Claims Assessment Act (HICAA).

Line 31: Enter the tax a Michigan company would pay to the taxpayer’s state of incorporation if it conducted the same amounts and types of business there as the taxpayer is conducting in Michigan. Attach a copy of the state of incorporation’s tax form on which this pro forma tax on the hypothetical Michigan company was calculated.

Lines 33 through 43: In column A, “State of Incorporation,” enter the amounts that would be paid by a hypothetical Michigan insurance company doing the same types and amounts of business in the taxpayer’s home state that the taxpayer is doing in Michigan.

Lines 38 and 40-43: In column B, “Michigan,” enter the actual amounts paid by the taxpayer to Michigan.

Line 43: Attach a detailed schedule of assessments.

Line 45: Subtract line 44, column B, from line 44, column A. If less than zero, enter zero.

PAYMENTS, REFUNDABLE CREDITS, AND TAX DUE

Line 48: Enter the total tax paid with the quarterly estimated tax returns.

Line 50: The Worker’s Disability Supplemental Benefit (WDSB) Credit is available to an insurance company subject to the Worker’s Disability Compensation Act of 1969. The credit is equal to the amount paid during that tax year by the insurance company pursuant to Section 352 of the act, as certified by the director of the Worker’s Compensation Agency, Department of Licensing and Regulatory Affairs (LARA), during the tax year. The amount of the credit is provided to taxpayers by LARA. For more information on WDSB credit eligibility, contact LARA, Workers’ Compensation Agency, by phone at 1-888-396-5041, by e-mail at wcinfo@michigan.gov, or visit the LARA Web site at www.michigan.gov/wca.

Line 53: If penalty and interest are owed for not filing estimated returns or for underestimating tax, complete the *CIT Penalty and Interest Computation for Underpaid Estimated Tax* (Form 4899), to compute penalty and interest due. If a taxpayer chooses not to file Form 4899, Treasury will compute penalty and interest and bill for payment. (Form 4899 is available on the Web at www.michigan.gov/treasuryforms.)

Line 54: Refer to the “Computing Penalty and Interest” section in Form 4904 to determine the annual return penalty rate and use the following Overdue Tax Penalty worksheets.

WORKSHEET – OVERDUE TAX PENALTY

A. Tax due from Form 4905, line 52		00
B. Late or insufficient payment penalty percentage		%
C. Multiply line A by line B.....		00

Carry amount from line C to Form 4905, line 54.

Line 55: Use the following worksheet to calculate Overdue Tax Interest.

WORKSHEET – OVERDUE TAX INTEREST

A. Tax due from Form 4905, line 52		00
B. Applicable daily interest percentage ..		%
C. Number of days return was past due ...		
D. Multiply line B by line C		
E. Multiply line A by line D		00

Carry amount from line E to Form 4905, line 55.

NOTE: If the late period spans more than one interest rate period, divide the late period into the number of days in each of the interest rate periods identified under the “Computing Penalty and Interest” section in Form 4904 and apply the calculations in the Overdue Tax Interest worksheet separately to each portion of the late period. Combine these interest subtotals and carry the total to Form 4905, line 55.

Line 57: If the amount of the tax overpayment, less any penalty and interest due on lines 53, 54 and 55, is less than zero, enter the difference (as a positive number) on line 56.

NOTE: If an overpayment exists, a taxpayer must elect a refund of all or a portion of the amount and/or designate all or a portion of the overpayment to be used as an estimate for the next CIT tax year. Complete lines 58 and 59 as applicable.

Line 58: If the taxpayer anticipates a CIT or Retaliatory Tax liability in the filing period subsequent to this return, some or all of any overpayment from line 57 may be credited forward to the next tax year as an estimated payment. Enter the desired amount to use as an estimate for the next CIT tax year.

Reminder: Taxpayers must sign and date returns. Tax preparers must provide a Preparer Taxpayer Identification Number (PTIN), FEIN or Social Security number (SSN), a business name, and a business address and phone number.
