PART 3: OFFER TERMS AND CONDITIONS

NOTE: In the following agreement, the pronoun “we” may be assumed in place of “I” when there are joint liabilities and both parties are signing this Offer in Compromise.

By submitting this offer, I have read, understand and agree to the following terms and conditions:

- a) I voluntarily submit all payments made on this offer.
- b) Treasury will apply the amount paid with this offer to the outstanding balance of the tax debt owed. Treasury will not return or refund the amount paid with this offer whether the offer is accepted or rejected, or if I withdraw the offer. The date Treasury receives the offer remittance will be considered the date of payment.
- c) Treasury will keep all payments and credits made, received, or applied to the total original tax debt before the Offer in Compromise is received by Treasury. None of the payments or credits received by Treasury prior to the submission of the offer may be included as part of the offer amount.
- d) Treasury may amend your offer by issuing an addendum. This amended offer will be based on documentation submitted with your offer in compromise and additional documentation provided or available.
- e) I remain responsible for the full amount of the tax debt, unless and until Treasury accepts the offer in compromise in writing and I have met all of the terms and conditions of the offer in compromise.
- f) Any compromise with Treasury is subject to continuing review by Treasury. Treasury may revoke any compromise made and may reestablish the full compromised tax debt, plus any accrued interest and penalty, without regard to any statute of limitations that otherwise may apply if any one of the following occurs:
 - o Treasury determines that I concealed from Treasury any property, assets or income to induce a compromise.
 - o Treasury determines that I, with the intent to mislead, withheld, destroyed, mutilated, or falsified any book, document, or record or made a false statement relating to my or another person's estate or financial condition to induce a compromise.
 - o Treasury determines that I withheld changes to income or expenses – either during the request for an offer in compromise or after an offer is accepted – that would alter the circumstances of my ability to pay a tax debt.
 - o I fail to comply with any of the terms and conditions relative to the Offer in Compromise or fail to file subsequent required returns and pay subsequent final tax liabilities within 20 days after Treasury issues a notice and demand to file or pay the tax.

If Treasury revokes an Offer in Compromise, the amount of the compromised tax debt will become due and payable, and Treasury may immediately undertake all actions authorized by law to collect the remaining balance of the tax debt.

- g) Treasury will not levy against property to collect the tax debt sought to be compromised while the offer in compromise is pending review unless Treasury determines that the offer is intended to delay collection of the tax debt or Treasury has issued a jeopardy assessment under MCL 205.26.
- h) The statute of limitations is suspended while an offer in compromise is pending per MCL 205.27a3b.
- i) I may not request an informal conference with Treasury or contest in any tribunal or court Treasury's rejection of my offer in compromise or the amount of any accepted offer in compromise.
- j) Interest on any unpaid tax debt shall continue to accrue until paid. Interest shall be calculated at the annual rate of interest applicable to unpaid Michigan tax deficiencies, as set forth in section 23 of the Revenue Act, MCL 205.23, and in Revenue Administrative Bulletin 2013-5, and subsequent Revenue Administrative Bulletins that revise annual interest rates.
- k) Any payments or credits that exceed the offer in compromise amount may be applied by Treasury to outstanding assessments.
- l) Except for the availability of Treasury's independent administrative review, a rejection by Treasury of an offer in compromise is final and not subject to further challenge or appeal to any tribunal or court.

Treasury by statute may be required to disclose my return information to members of the general public to the extent necessary to permit inspection of the accepted offer in compromise relating to the liability for the tax imposed.
