Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission (Commission) has issued a water pollution tax exemption certificate, numbered 2-5949, to Michigan Disposal, Inc. located at 49350 N I-94 Service Drive, in the Township of Van Buren, Wayne County. This certificate was issued at the April 8, 2013 meeting of the Commission and the amount approved for exemption is **\$4,581,455**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$4,581,455**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-2408.

Sincerely,

Water Pollution Control Exemption Certificate

Certificate No. **2-5949**

Pursuant to the provisions of Public Act 451 of 1994, Part 37 as amended, the State Tax Commission hereby finds that the facility, owned or leased by **Michigan Disposal, Inc.**, as described in the approved application, located at **49350 N I-94 Service Drive, Township of Van Buren**, County of **Wayne**, Michigan, designed and operated primarily for the control, capture, and removal of industrial waste from the water, complies with Section 3703 and with other provisions of the act.

Therefore, as provided by Public Act 451 of 1994, Part 37, as amended, the State Tax Commission hereby certifies the **pollution control facility** property, as described in the approved application, located at **49350 N I-94 Service Drive**. The total cost of the facility entitled to exemption is **\$4,581,455**.

This certificate provides the authority for the assessor to exempt the pollution control facility for which this pollution control exemption certificate is in effect from ad valorem taxation. The tangible personal property is also exempt from sales taxes imposed under Public Act 67 of 1933, as provided by MCL 205.51 to 205.78 and use taxes imposed under Public Act 94 of 1937, provided by MCL 205.91 to 205.111.

Beginning December 31, 2013, this certificate, unless revoked as provided by Public Act 451 of 1994, as amended, shall remain in force as long as the facility is designed and operated primarily for the control, capture, and removal of industrial waste from the water.

This Water Pollution Control Exemption Certificate is issued on **April 8, 2013**.

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission has issued an amended water pollution tax exemption certificate, numbered 2-5173, to Chevron Michigan, LLC located at Vanderwall A4-4 SE NE NE Section 4, in the Township of Corwith, Otsego County. This certificate was issued at the April 8, 2013 meeting of the Commission and the amended amount approved for the exemption includes retirements in the amount of **(\$5,541.00)**, for a total exemption of **\$40,593.00**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$40,593.00**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-2408.

Sincerely,

Kelli Sobel, Executive Secretary
State Tax Commission

Water Pollution Control Amended Certificate

Certificate No. 2-5173

Pursuant to the provisions of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission hereby finds that the facility, owned or leased by **Chevron Michigan, LLC**, as described in the approved application, located at **Vanderwall A4-4 SE NE NE Section 4, Township of Corwith**, County of **Otsego**, Michigan, is designed and operated primarily for the control, capture, and removal of industrial waste from the water, complies with Section 3703 and with other provisions of the act.

Therefore, as provided by Public Act 451 of 1994, Part 37, as amended, the State Tax Commission hereby certifies the **pollution control facility** property, as described in the approved application, located at **Vanderwall A4-4 SE NE NE Section 4**. The total cost of the facility entitled to exemption is **\$40,593.00**.

This certificate provides the authority for the assessor to exempt the pollution control facility for which this pollution control exemption certificate is in effect from ad valorem taxation. The tangible personal property is also exempt from sales taxes imposed under Public Act 67 of 1933, as provided by MCL 205.51 to 205.78 and use taxes imposed under Public Act 94 of 1937, provided by MCL 205.91 to 205.111.

This certificate, unless revoked as provided by Public Act 451 of 1994, as amended, shall remain in force as long as the facility is designed and operated primarily for the control, capture, and removal of industrial waste from the water;

Certificate Effective Date: November 29, 2006.

This amended Pollution Control certificate is issued on **April 8, 2013** and supersedes all certificates previously issued.

Dear Sir/Madam:

Pursuant to the requirements of Public Act 451 of 1994, Part 37, as amended, the State Tax Commission has issued an amended water pollution tax exemption certificate, numbered 2-5305, to Chevron Michigan, LLC located at Yankee Trust C2-20 SE NE SW, Alkire C2-9 SW NE SW & Smith D1-8 NW SW SW Sections 8, 9 & 20, in the Township of Bear Lake, Manistee County. This certificate was issued at the April 8, 2013 meeting of the Commission and the amended amount approved for the exemption includes retirements in the amount of **(\$41,553.00)**, for a total exemption of **\$110,248.00**.

As required by Section 3702(2) of the Act, the exemption amount must annually be reduced by the gross annual commercial or productive value derived from any materials captured by the exempted facility. The current year's gross annual commercial or productive value recovered by this facility, as reported by your application, is **\$0**. Therefore, the net exemption for the current year for this facility is **\$110,248.00**. As this gross annual commercial or productive value may change yearly, the value must be reported to the assessor on an annual basis to correctly reduce the exemption.

The applicant and local assessor have 60 days from the date of this letter to appeal the decision to the Circuit Court. If the application costs were based on estimated figures, the applicant must file final costs figures with our office within 90 days after completion of the project. If you have any questions, please contact the Property Services Division at (517) 373-2408.

Sincerely,

Kelli Sobel, Executive Secretary
