PREFACE

COMMERCIAL, INDUSTRIAL, AND UTILITY PROPERTY TAX LEVY REPORT

Act No. 332, Public Acts of 1993, which became law on December 31, 1993, changed the way local assessors reported their tax levy information to the Michigan Department of Treasury beginning with the 1994 tax year. Prior to that year, local assessors reported Ad Valorem property taxes on one report. This report was used to compute both the Statewide Average Tax Rate and to provide the basis for revenue sharing payments. Beginning with the 1994 tax year, the change in the law required the assessor to file two reports; one to report the Taxable Value, as State Equalized, of all classes of property, real and personal, and another to report the Taxable Value, as State Equalized, of Commercial, Industrial, and Utility classifications of property only.

On March 15, 1994, Proposal A was adopted by Michigan voters. Prior to Proposal A, State Equalized Value (SEV) was used in calculating property taxes. As established by Proposal A and beginning with the 1994 tax year TAXABLE VALUE is used as the base for calculating property taxes and is used instead of SEV throughout this book.

The information in this book is based on the combined total TAXABLE VALUE of Commercial, Industrial, and Utility classes of property, real and personal.

County, township, city, and village taxable values, tax levies and resulting average millage rates are included in this book. School district information (K-12, Intermediate School District, and Community College) is also included.

Beginning with the 2008 tax year, a legislative change exempts Industrial Personal Property from up to 18 mills of local school district operating millage and the 6 mill State Education Tax. Commercial Personal Property is exempted from up to 12 mills of local school district operating millage.

Normally any countywide authority levy is reported with the county levy, while all other authority levies are reported with the township and city levies. For 2009 and 2010 only, all authority levies were reported with the township and city levies, even if the levy was countywide.

For Property Tax Levy information based on All Classes of property, please refer to the report titled, "Ad Valorem Property Tax Levy Report", Form 625.
