Convention Facility Development Fund Executive Summary

Established 1985

1. Public Acts 106 and 107 of 1985.
2. Purpose is to assist local governments in financing major convention facilities.

Revenues Deposited into Fund

1. State-wide 4% Liquor Excise Tax.
2. Tri-county Accommodations Tax (Wayne, Oakland, and Macomb Counties) with a rate of 1.5% (3% in Detroit) on hotels with 81 to 160 rooms and a rate of 5% (6% in Detroit) on hotels with more than 160 rooms.

Distributions From Fund

1. Pay annual Cobo Hall debt service to Detroit (Sec. 9(1)).
2. Pay annual increase in Accommodations Tax compared to prior fiscal year to Detroit to retire Cobo Hall bonds early (Sec. 10(2)(a)).
3. Repay 4% liquor tax to 80 “out-counties.” (Sec.10(2)(b)).
4. Distribute any remaining funds to all 83 counties based on amount of liquor tax collected in each county. In distributing the tri-county share of dollars between Wayne, Oakland, and Macomb Counties, Detroit’s liquor tax collections are excluded from the Wayne County total (Sec. 10(2)(c)).

Experience to Date

1. Revenue collections of \$46 million in FY 2001 with total collections of \$556 million from 1985 to 2001.
2. The 4% Liquor Tax accounts for about \$28.5 million in FY 2001 with total collections of \$361 million from 1985 to 2001.
3. The Accommodations Tax provided about \$17 million in FY 2001, totaling \$195 million from 1985 to 2001.
4. Debt service payments to Cobo Hall have been \$292 million and distributions to counties account for about \$263.7 million through 2001.

Convention Facility Development Fund Overview

In 1985, the Michigan Legislature passed two laws to help promote tourism and economic development in Michigan. Specifically, a statewide 4% Liquor Excise Tax and a Detroit tri-county Accommodations (Hotel-Motel) Tax were enacted, and the proceeds were to be distributed to qualified local governments for convention facility development. The Liquor and Accommodations Taxes became effective October 1, 1985. Both the 4% Liquor Excise and Accommodations Taxes sunset on December 31, 2015.

The Legislative package included earmarking the Convention Facility tax collections to first pay debt service on bonds issued to expand and improve the Cobo Hall Convention Facility in Detroit. By statute, the annual *increase* in the Accommodations Tax is also earmarked to repay the Cobo Hall bonds.

Since 1985, most of the Convention Facility tax collections has been used to repay the Cobo Hall bonds. About \$282 million (53%) of the \$556 million collected has been used to make debt service payments on the Cobo Hall bonds. Beginning in FY 1996, however, more than half of each year's tax collections has been paid to counties. The growth in the Accommodations Tax collections has allowed \$10.6 million in early debt repayment and a reduction in borrowing costs. In FY 2001 there was not any growth in Accommodations Tax collections. The Cobo Hall bonds are expected to be repaid before September 30, 2012.

The balance of the Convention Facility tax collections has been distributed to counties. This distribution first returns the 4% Liquor Excise Tax collected in the 80 counties excluding Wayne, Oakland, and Macomb counties, and then distributes any remaining funds to all 83 counties. For FY 2001, the 80 out-state counties received \$1.58 for each \$1.00 of liquor tax collected in that county. One-half of county distributions not used to cut property taxes must be distributed to the county's designated substance abuse coordinating agency for substance abuse programs.

Chart 1 Convention Facility Development Fund Sources and Uses

Distributions

- 1 Cobo Hall bonds have first claim on Convention Facility Development Funds.
- 2 The 80 out-state counties have second claim.
- 3 All 83 counties split the remaining funds. One-half of distributions are used for substance abuse programs.
