If the property has a principal residence exemption of 50% or more on the date the petition is filed, no filing fee is required.

If the property does not have a Principal Residence Exemption of at least 50% on the date the petition is filed for all tax years at issue, use the included chart to determine the required filing fee. Add \$25.00 for each additional, adjoining parcel that you are appealing, not to exceed a total fee of \$1,000.00. If there is more than one adjoining parcel under appeal, use the parcel with the highest Taxable Value in dispute for the base fee. Make the check payable to the State of Michigan.

NOTE: The Taxable Value in dispute is the difference between the Taxable Value established by the BOR for the tax year under appeal and your contention of Taxable Value.

If filing multiple petitions, please note that a separate payment (i.e., check, money order, or other draft payment) must be made for each individual petition.

Signature: If Petitioner is unrepresented, Petitioner must sign the petition form. If an attorney or other authorized representative is identified in Section 2 of the petition form, the petition form must be signed by that representative and not petitioner.

REMINDERS:

Pursuant to TTR 279, a copy of the Board of Review decision or other notice giving rise to the appeal must be submitted with the petition unless the property is classified as (1) commercial, industrial, or developmental real, or (2) commercial, industrial, or utility personal, and a personal property statement was timely filed with the local unit of government.

You must submit the *original, completed, signed petition form* to the Tribunal. You should also keep a copy for yourself.

The Tribunal will issue a Notice of Filing after an answer is filed and indicate the case is ready for the scheduling of a hearing.

The Tribunal will send a notice of hearing to the parties no less than 45 days in advance of the hearing.
