**Issued By:** Community Engagement and Finance Division (CEFD)  
Bureau of Local Government and School Services

**Effective Date:** July 27, 1994 (Revised DRAFT DATE)

**1994-11** Accounting Treatment for Crime Victim Rights Funding

**Intended Audience:** Local Units of Government

---

**Summary:** Crime Victim Rights Funding is a grant from the State which must be recorded as State Grant revenue. Account numbers can be found in the Uniform Chart of Accounts for Counties and Local Units of Government in Michigan, published by the Michigan Department of Treasury. Revenue account numbers for Crime Victim Rights would be 570 under State Grants--Other which you would title State Grant--Crime Victim Rights.<sup>i</sup>

---

Expenditures under this program should be from an open separate expenditure activity number 276-299 under Other Judicial Activities which you would title Crime Victim Rights. Expenditure line items should be established in enough detail to facilitate financial reporting to the State.

Generally, all grants from Federal, State or local governments should be accounted for in the same manner with the appropriate account numbers which can be found in the Uniform Chart of Accounts.
