The financial information in this report is unaudited and represents the General Fund only (unless otherwise stated).

For audited financial statements, visit the OCFO Financial Reports page.

- The City's February Revenue Estimating Conference will be held Monday, February 12, 2024 at 1pm. The conference is held to review the economic outlook and approve revised revenue estimates.
- The City completed its audit and filing requirements for the Fiscal Year 2023 Annual Comprehensive Financial Report (ACFR) and associated information with the State Department of Treasury and the Municipal Securities Rulemaking Board (MSRB) before December 31, 2023, meeting all required deadlines. The report can be found on the OCFO Financial Report page.
- Due to the City's stronger and faster than originally expected economic and revenue recovery, and its conservative budget and fiscal management, the City's FY23 results show a \$1.197 billion fund balance in the General Fund, of which \$146 million is unassigned. With these results, FY23 marks the ninth consecutive year the City ended with a surplus and unassigned fund balance since the exit from bankruptcy in December 2014.

Revenues: Budget excludes Prior Year Surplus resources shown as revenue in adopted budget. Wagering Tax negative variance reflects casino worker strike impact, net of gains from internet gaming. Wagering tax monthly budget spread corrected vs. prior reports for correct timing of internet gaming receipts. Other revenues positive variance driven by investment earnings.

**Expenditures:** YTD Salaries and Wages negative variance due to Police and Fire payrolls greater than budget. Contractual Services positive variance due 1-month lag in accruals dating back to July and difference in timing for housing and Covid response balance forward spending.

Budget amount excludes assigned fund balance reserves not expected to be spent.
