Revenues: Revenue Projection is updated based on February 2024 Revenue Estimating Conference results. Excludes Prior Year Surplus resource shown as revenue in adopted budget.

Expenditures: Amended expenditure budget includes additional \$1.2 million for DHD Prenatal Care Transportation Services program and \$0.1 million for Legislative Administration, both approved by City Council in June 2023.

Expenditures currently projected to exceed budget, driven by: Police and Fire overtime; EMS service expansion; facilities maintenance; Detroit Detention Center contract, and legal services (\$35.8 million). Projection also includes increases for proposed level principal amortization (\$21.9 million), risk management contribution (\$60 million), and solid waste management (\$7.8 million), as well as lower projected debt service from vehicle installment purchase agreement delay (\$8.2 million). Proposed FY24 Supplemental pending.

Budgeted Use of Prior Year Surplus: Unspent budget resource from prior year used to support one-time expenditures included in the FY24 Amended Budget.

Prior Year Continuing Appropriations: Unspent budget resource from prior year used to support one-time expenditure budgets that carried over from prior fiscal year to current fiscal year. Itemized on the following page.
