#### Dear Commissioners:

The Office of the Chief Financial Officer (OCFO) respectfully submits its City of Detroit Financial Report for the Eight Months ended February 29, 2024.

This report is provided in accordance with the requirements included in Detroit Financial Review Commission (FRC) Resolution 2023-02, which granted the City its waiver of active FRC oversight through June 30, 2024. The OCFO has separately submitted this report to the Mayor, Detroit City Council and posted it on the City's website.

Best regards,

Jay B. Rising

CFO

# FY2023-24 Financial Office of the Chief Financial Report

For the 8 Months ended February 29, 2024

Submitted on April 12, 2024

The financial information in this report is unaudited and represents the General Fund only (unless otherwise stated).

- On April 8, the Detroit City Council approved the City's <u>FY 2024-2025</u> <u>Budget and Four-Year Financial Plan</u>. Council's changes compared to the Mayor's proposed budget totaled \$34 million in one-time expenses and \$3.3 million in recurring expenses. The City will transmit the approved Four-Year Financial Plan to the Financial Review Commission by April 30.
- Moody's <u>upgraded Detroit's bond rating</u> two notches to Baa2 from Bal with positive outlook. The City's 10<sup>th</sup> credit rating upgrade takes Detroit from bankruptcy to investment grade in less than 10 years. They cite "a decade of solid financial performance" and "strong governance practices" in assigning this historic increase.
- S&P delivered Detroit's second <u>double-notch increase</u> to investment grade in a month on April 10 by assigning a rating of BBB. Importantly, S&P notes that they have removed their "structural imbalance" adjustment, which depressed and limited Detroit's rating.

**Expenditures:** YTD Salaries and Wages negative variance due to Police and Fire payrolls greater than budget. Contractual Services positive variance due lag in accruals and difference in timing for housing and Covid response balance forward spending.

**Revenues**: Revenue Projection is updated based on February 2024 Revenue Estimating Conference results. Excludes Prior Year Surplus resource shown as revenue in adopted budget.

**Expenditures:** Amended expenditure budget includes additional \$1.2 million for DHD Prenatal Care Transportation Services program and \$0.1 million for Legislative Administration, both approved by City Council in June 2023.

Expenditures currently projected to exceed budget, driven by: Police and Fire overtime; EMS service expansion; facilities maintenance; Detroit Detention Center contract, and legal services (\$35.8 million). Projection also includes increases for proposed level principal amortization (\$21.9 million), risk management contribution (\$50 million), and solid waste management (\$7.8 million), as well as lower projected debt service from vehicle installment purchase agreement delay (\$8.2 million). City Council approves supplemental appropriations and transfers for these amounts on April 8, 2024.

**Budgeted Use of Prior Year Surplus:** Unspent budget resource from prior year used to support one-time expenditures included in the FY24 Amended Budget.

**Prior Year Continuing Appropriations:** Unspent budget resource from prior year used to support one-time expenditure budgets that carried over from prior fiscal year to current fiscal year. Itemized on the following page.
