SUBJECT: Quarterly Interim Report - Deficit School Districts Pursuant to MCL 380.1220 (2)

Attached is a copy of the Quarterly Interim Report of Deficit School Districts for the third quarter of FY2024-25. The report is submitted pursuant to Public Act 111 of 2015, the Revised School Code, Section 1220(2), that provides the State Treasurer shall submit quarterly interim reports to the legislature concerning Local Education Agencies (LEAs) school districts, Intermediate School Districts (ISDs), and Public School Academies (PSAs) that are (1) subject to periodic financial status reporting requirements under MCL 380.1219 (Early Warning Legislation) or (2) obligated to implement and comply with the requirements of an Enhanced Deficit Elimination Plan (EDEP) approved by Treasury.

Since the March 2025 Quarterly Interim Report five (5) Districts (4 LEA and 1 PSA) were added to the Early Warning category for showing signs of potential fiscal stress. Zero (0) Districts were removed from active Early Warning Oversight based on improved or stable financial trends. There were no changes to the EDEP list this quarter.

If you have additional questions about this report or other related questions concerning the information in this report, please contact the School Review and Fiscal Accountability Division at OSRFA@Michigan.gov.

Quarterly Interim Report – Deficit School Districts
As of June 1, 2025

Pursuant to MCL 380.1220 within the Revised School Code, the State Treasurer shall submit quarterly interim reports to the Michigan Legislature concerning K-12 Local Education Agencies (LEAs) school districts, Intermediate School Districts (ISDs), and Public School Academies (PSAs) that are subject to periodic financial status reporting requirements under MCL 380.1219 ("Early Warning legislation") or are under an Enhanced Deficit Elimination Plan (EDEP). This is the Michigan Department of Treasury's ("Treasury") third quarterly interim report for FY2024-25 based on our analysis of the FY2023-24 audited financial statements and other projection information received to date for all school districts.

On July 7, 2015, then-Gov. Rick Snyder signed into law the Early Warning legislation, Public Acts 109-114, giving Treasury additionalfinancial authority and responsibilities over K-12 LEA school districts, ISDs, and PSAs facing fiscal distress. Pursuant to MCL 380.1219(3), the State Treasurer is required to determine whether potential fiscal stress exists within a LEA school district, ISD, or PSA. Per statute, conditions of fiscal stress for purposes of making the Early Warning list may include, but are not limited to: (1) A projected operating deficit within a LEA school district, ISD, or PSA during the current school fiscal year or the following two school fiscal years, or (2) A district's inability to meet its financial obligations while also satisfying the districts, ISDs, or PSAs obligations to provide public education services in a manner that complies with state law.

The School Review and Fiscal Accountability Division (SRFA) within Treasury analyzes the financial health of Michigan's 875 active school districts, working closely with the Michigan Department of Education (MDE) and the Center for Educational Performance and Information (CEPI). Treasury developed a process to identify fiscal stress using information collected from the districts' audited financial statements, adopted budgets, State Aid Status Reports, Financial Information Database (FID), and Michigan Student Data System (MSDS). The following is a summary of school districts under Early Warning oversight as of May 21, 2025.

SECTION 1: EARLY WARNING DISTRICTS

Table 1 below is a complete list of districts showing signs of potential fiscal stress pursuant to Early Warning legislation, including when they were identified. Table 1 is comprised of nineteen (19) total districts: nine (9) PSAs and ten (10) LEAs. Since the March 2025 Quarterly Interim Report, zero (0) districts were removed from Early Warning Oversight based on improved or stable financial trends. Five (5) Districts, (4 LEA and 1 PSAs) were added to oversight for showing signs of potential fiscal stress. Table 2 outlines the history of districts with statutory reporting requirements to Treasury since the enactment of Public Acts 109-113 of 2015.

Note 1: Districts identified by Treasury as showing signs of potential fiscal stress that ended the year with a general fund deficit.

SECTION 2: ENHANCED DEFICT ELIMINATION PLAN (EDEP) DISTRICTS

Pursuant to MCL 380.1220(5), a K-12 LEA school district, ISD, or PSA that has not eliminated its deficit within 5 years after the initial Deficit Elimination Plan (DEP) was approved, must submit an Enhanced Deficit Elimination Plan (EDEP) to Treasury for approval. A district may also be required to submit an EDEP if subjected to "rapidly deteriorating" financial circumstances.

Table 3 represents a complete list of EDEP districts that meet the requirements of MCL 380.1220. There are two (2) districts listed in Table 3: one (1) PSA and one (1) LEA.

Note 1: Enrollment is compiled from the state aid financial status report from April 2025.
Note 2: The School District of the City of Highland Park does not educate students as students are now educated by the Highland Park Public School Academy System.

SECTION 3: PUBLIC ACT 436 OF 2012

Public Act 436 of 2012 provides criteria in determining the financial condition, specifically, the existence of a financial emergency, within a local unit of government or school district. MCL 141.1563 of the statute states that the Governor may appoint a Receivership Transition Advisory Board (RTAB) to monitor the affairs until the receivership is terminated.

As of the June 1, 2025, report, there are zero (0) districts subject to Public Act 436 of 2012, or a RTAB, as defined in statute.
