Boards of Review

TO: Boards of Review and Assessing Officers

FROM: Michigan State Tax Commission

SUBJECT: 2022 Boards of Review

This Bulletin contains information that Boards of Review need to be aware of for the 2022 assessment year. The State Tax Commission Q&A regarding the statutory obligations for Boards of Review can be found on the State Tax Commission website at www.michigan.gov/statetaxcommission. The State Tax Commission asks that all Board of Review members carefully review this document. Board of Review members are also strongly encouraged to attend an annual *Board of Review Member Training Program* to review updates on statutory and policy changes. Public Act 660 of 2018 requires that all Board of Review members receiving training approved by the State Tax Commission at least once every two years.

Key Dates for 2022 Boards of Review

- **March 8, 2022.** The March Board of Review begins their work on the Tuesday following the first Monday in March. On this day, the Board holds their organizational meeting and formally receives the assessment roll from the assessor. This is the meeting for the Board to “get organized”. They should elect a chairperson, discuss how they are going to conduct business, review any statutory or policy changes they should be aware of for the current year and receive any briefings they want from the assessor regarding the assessment roll. The Board will not hear appeals at this first meeting. The organizational meeting date cannot be rescheduled to a different day.
- **March 14, 2022.** Appeal meetings of the March Board begin on the 2nd Monday in March. Local units can set an alternative start date for the appeal meetings by adopting an ordinance or resolution, but that alternative start date can only be the Tuesday or Wednesday of that same week (i.e. the Tuesday or Wednesday following the 2nd Monday in March).

The required first appeal meeting on the second Monday in March must start no earlier than 9 A.M. and no later than 3 P.M. The Board must meet for a minimum of 6 hours that day. The Board must meet a total of at least 12 hours during that first week and at least 3 hours of the required sessions must be after 6 P.M.

- **April 4, 2022.** The March Board of Review must complete their work by the first Monday in April. Assessment rolls must be turned over to County Equalization by the Wednesday following the first Monday in April or 10 days following the close of the March Board, whichever is first.
- **July 19, 2022.** If convened, the July Board meets on the Tuesday following the third Monday in July, unless an alternate start date is adopted by the local unit.
- **December 13, 2022.** If convened, the December Board meets the Tuesday following the second Monday in December, unless an alternate start date is adopted by the local unit.

Alternate Start Dates for the July or December Boards of Review

MCL 211.53b provides that July or December Boards of Review may have an alternate start date. The governing body of the city or township must adopt by ordinance or resolution alternate start dates that must conform to the following: for the July Board, an alternate date during the week of the third Monday in July; for the December Board, an alternate date during the week of the second Monday in December.

Documentation of Board of Review Changes

The State Tax Commission requires that all Boards of Review maintain appropriate documentation of their decisions including minutes, a copy of the form 4035, and form 4035a whenever the Board of Review makes a change that causes the Taxable Value to change and a Board of Review Action Report. Form 4035 must include a detailed reason why the Board made their determination. **Assessors are not required to file the Board of Review log or Action Report with the State Tax Commission.**

Minutes must include all the following items:

- Day, time and place of meetings.
- Members present, members absent, name of elected chairperson and notation of any correspondence received.
- A log that identifies the hearing date, the petition number, the petitioner's name, the parcel number, the type of appearance, type of appeal and decision of the board of review.
- Record daily the actual hours the Board was in session, and time of daily adjournments. Record the closing date and time of the final annual session.

Inflation Rate used in the 2022 Capped Value Formula

The inflation rate, expressed as a multiplier, to be used in the 2022 Capped Value Formula is 1.033.

The 2022 Capped Value Formula is as follows:

$$\text{2022 CAPPED VALUE} = (\text{2021 Taxable Value} - \text{LOSSES}) \times 1.033 + \text{ADDITIONS}$$

The formula above does not include 1.05 because the inflation rate multiplier of 1.033 is lower than 1.05.

County Multipliers

It has come to the attention of the State Tax Commission that some Boards of Review believe it is appropriate to develop their own County Multipliers. It is not acceptable for a local unit or Board of Review to develop County Multipliers. The multipliers developed by the State Tax Commission must be used.

July and December Board of Review Authority and Qualified Errors

Boards of Review **and** assessors are cautioned to take great care to ensure that any changes made by the July or December Board meet the requirements of MCL 211.53b.

MCL 211.53b provides that the July or December Boards of Review can correct "qualified errors" for the current year and one prior year unless additional years are specifically addressed by the statute.

A correction under subsection (6) regarding Principal Residence Exemptions may be made for the year in which the appeal was filed and the **three** immediately preceding years.

Regarding MCL 211.27a(4): if the taxable value of property is adjusted and the assessor determines that there had not been a transfer of ownership, the taxable value of the property shall be adjusted for the current year and for the **three** immediately preceding calendar years. An adjustment under this subsection shall be considered the correction of a clerical error.

Qualified Errors are defined in MCL 211.53b as:

- A clerical error relative to the correct assessment figures, the rate of taxation, or the mathematical computation relating to the assessing of taxes
- A mutual mistake of fact.
- An adjustment under section 27a(4) – taxable value or an exemption under section 7hh(3)(b)– qualified start-up business exemption.
- An error of measurement or calculation of the physical dimensions or components of the real property being assessed.
- An error of omission or inclusion of a part of the real property being assessed.

- An error regarding the correct taxable status of the real property being assessed.
- An error made by the taxpayer in preparing the statement of assessable personal property under section 19.
- An error made in the denial of a claim of exemption for personal property under section 9o.
- An issue beyond the control of a disabled veteran or his or her unremarried surviving spouse that causes a denial of an exemption under section 7b. An issue beyond the control of a disabled veteran or his or her unremarried surviving spouse means an error made by the local tax collecting unit in the processing of a timely filed exemption affidavit or a delay in the determination by the United States Department of Veterans Affairs that a veteran is permanently and totally disabled as a result of military service and entitled to veterans' benefits at the 100% rate.

Clerical Error was defined by the Court of Appeals in *International Place Apartments v Ypsilanti Township* 216 Mich App 104; 548 NW2d 668 (1996), as “an error of a transpositional, typographical, or mathematical nature.” July and December Boards of Review are NOT allowed to revalue or reappraise property when the reason for the action is that the assessor did not originally consider all relevant information.

Mutual Mistake of Fact was defined by the Court of Appeals in *Ford Motor Co v City of Woodhaven*, 475 Mich 425; 716 NW2d 247 (2006) as “an erroneous belief, which is shared and relied on by both parties, about a material fact that affects the substance of the transaction.” This definition was clarified by the Michigan Supreme Court in *Briggs Tax Service, LLC v Detroit Public Schools*, 485 Mich 69; 780 NW2d 753 (2010). The Michigan Supreme Court indicated that to qualify, the “mutual mistake of fact” must be one that occurs only between the assessor and the taxpayer.

Disabled Veterans Exemption

The State Tax Commission guidance on the Disabled Veterans Exemption can be found on the State Tax Commission website. Boards of Review are encouraged to review all Disabled Veterans Exemption guidance issued by the State Tax Commission.

Boards of Review are strongly cautioned that the determination that a veteran is 100% disabled or individually unemployable is made by the U.S. Department of Veterans Affairs. Boards of Review **do not** have authority to make an independent determination that a veteran is 100% disabled or individually unemployable. Boards of Review **do not** have the authority to determine a veteran is not 100% disabled or individually unemployable once the U.S. Department of Veterans Affairs has issued their determination.

Public Act 206 of 2020: On October 14, 2020, PA 206 of 2020 was signed into law. This Act amends MCL 211.53b regarding July and December Board of Review authority by adding as a qualified error an issue beyond the control of a disabled veteran or the unremarried surviving spouse **that caused a denial** of the disabled veterans exemption:

1. An error made by the local tax collecting unit in processing of a timely filed exemption affidavit; or
2. A delay in the determination by the United States Department of Veterans Affairs that a veteran is permanently and totally disabled as a result of military service and entitled to veterans' benefits at the 100% rate.

Disabled Veterans Exemption for Unremarried Surviving Spouse: The State Tax Commission is aware that the Michigan Tax Tribunal in MTT Docket 16-004780, *Deborah E. Rabun v City of Farmington Hills*, held that a surviving spouse cannot qualify for the exemption when the deceased disabled veteran never owned or occupied the subject property as a homestead.

While the STC understands that is the position of the MTT, the STC does not agree or support that determination. It was never legislative intent that the unremarried surviving spouse be required to forever live in the original home. STC guidance indicates that: *the Disabled Veteran's exemption is not an exemption for the benefit of the property. Instead, it is an exemption personal to the qualifying disabled veteran or the unremarried surviving spouse of the qualified deceased disabled veteran.*

Since the exemption is personal to the qualified individual the STC is advising assessors and Boards of Review that they can and should approve exemptions for unremarried surviving spouses that meet all other statutory requirements, regardless of if the disabled veteran ever owned or occupied that subject property as a homestead.

Personal Property Tax

Public Acts 261-264 of 2017 changed the appeal procedure for both the Small Business Taxpayer Exemption and the EMPP exemption. Taxpayers who miss the February 20 filing deadline for either exemption may file a late application directly with the March Board of Review. The March Board of Review should grant the exemption if the taxpayer otherwise qualifies for the exemption. Both the Guide to the Small Business Taxpayer Exemption and the Assessors Guide to EMPP and ESA have been updated to reflect these statutory changes.

Important Reminder: The July and December Boards of Review **have no authority** over the Eligible Manufacturing Personal Property Exemptions contained in MCL 211.9m and MCL 211.9n. If an assessor misplaces or missed a timely filed Form 5278, that **is not** considered a clerical error or mutual mistake and cannot be considered by the July or December Board of Review.

The Guide to the Small Business Taxpayer Exemption and Assessors Guide to EMPP and ESA are available online at www.michigan.gov/propertytaxexemptions.

Further information and guidance on the Eligible Manufacturing Personal Property (EMPP) Exemption, Special Acts and the Essential Services Assessment (ESA) is available at www.michigan.gov/ESA. Additional questions should be sent via email to ESAQuestions@michigan.gov.

Poverty Exemptions

The State Tax Commission issued Bulletin 3 of 2021 regarding the poverty exemption. This Bulletin reflects updates due to recent court decisions and legislative changes. There were a number of significant changes to the poverty exemption made in December 2020 by PA 253 of 2020. It is important that Board of Review members review this bulletin and understand the changes to the statute that impact how poverty exemptions are reviewed and granted.

The Board of Review shall approve or deny the request for the poverty exemption. The Board of Review is required to follow the policy and guidelines adopted by the local assessing unit in granting or denying a poverty exemption. **The Board of Review is not permitted to deviate from the adopted policy and guidelines** (this is a change to the law in PA 253).

Poverty exemption applications can be heard at the March, July, or December Board of Review. However, there can only be **one** Board of Review decision for a specific calendar year; a subsequent Board of Review cannot reconsider a decision already made that year. For example: if an application is denied at the March Board of Review, it may not be reheard by the July or December Board of Review during the same calendar year.

Starting in 2021, to request a poverty exemption, a taxpayer must file:

1. Form 5737 *Application for MCL 211.7u Poverty Exemption*
2. Form 5739 *Affirmation of Ownership and Occupancy to Remain Exempt by Reason of Poverty*
3. All required additional documentation (such as federal/state income tax returns)

Local units are still required to have adopted income guidelines and an asset test. These documents should be in writing and should be made available to taxpayers.

If a taxpayer qualifies for the poverty exemption, PA 253 allows the Board of Review to grant a 100%, 50%, or 25% reduction in taxable value. There are no other percentage reductions permitted unless approval is granted to the local unit by the State Tax Commission for additional percentage reductions. The request must comply with the *State Tax Commission Policy Regarding Requests for Percentage Reductions in Taxable Value for Poverty Exemptions* and must be submitted using Form 5738.

The forms and guidance related to the poverty exemption are available on the State Tax Commission's website under the [Poverty Exemption Forms & Policy Related to PA 253 of 2020](#) link.

Reminders:

- The Michigan Court of Appeals ruled in *Ferrero v Township of Walton* (Docket No. 302221) that monies received pursuant to MCL 206.520 (homestead

property tax credit) is a rebate of property taxes and is not income for purposes of MCL 211.7u.

- Statutory changes to allow an affidavit to be filed for all persons residing in the residence who were not required to file federal or state income tax returns in the current year or in the immediately preceding year. This includes the individual filing for the exemption.

Board of Review members are encouraged to review Bulletin 3 of 2021 prior to the start of March Board of Review meetings.

Property Classification

Property is classified according to its current use. A property cannot have more than one classification. MCL 211.34c(5) states that if the total usage of a parcel includes more than one classification, the assessor shall determine the classification that most significantly influences the total valuation of the parcel.

Boards of Review are encouraged to review the *Property Classification Q&A* available on the State Tax Commission website.

Public Act 660 of 2018 (Property Assessing Reform)

Public Act 660 of 2018 was signed by the Governor on December 31, 2018. This Public Act made several changes to the General Property Tax Act. MCL 211.10d(7) was amended to allow a village located in more than 1 assessing district to request State Tax Commission approval that the assessment of property within the village be combined with the assessment of property in 1 of those assessing districts. Public Act 660 also amends MCL 211.28(6) to allow the governing bodies of 2 or more contiguous cities or townships to enter into an agreement to appoint a single board of review to serve as the combined board of review for each of those cities or townships.

Board of Review member required training: PA 660 requires the State Tax Commission audit to ensure that Board of Review members are participating in training. Beginning in 2022, Board of Review members will be required to complete Board of Review training at least once every two years to meet this audit requirement. This training will be offered by the State Tax Commission, or by outside organizations with State Tax Commission approval and use of State Tax Commission approved materials. Proof of completion and the required Form 5731 should be attached to the Board of Review's Certification of the Assessment Roll and maintained with local unit records.

The State Tax Commission has provided additional resources and guidance regarding changes to be implemented as a result of Public Act 660 of 2018 under the "Property Assessing Reform" link at www.michigan.gov/statetaxcommission.

Resources and Training

The State Tax Commission has published a significant amount of resource information to assist Boards of Review in carrying out their statutory responsibilities. This information can be found on the State Tax Commission website at www.michigan.gov/statetaxcommission under the “Board of Review Resources” heading.

The law now requires Board of Review members to complete training at least once every two years. The State Tax Commission recommends that all new and returning Board of Review Members annually attend training to receive updated information related to legislative and policy changes that have occurred during the past year.
