

STATE OF MICHIGAN  
DEPARTMENT OF TREASURY  
LANSING

RICK SNYDER  
GOVERNOR

NICK A. KHOURI  
STATE TREASURER

**DATE:** October 18, 2017

**TO:** C. Heidi Grether  
Director, Department of Environmental Quality

**FROM:** Nick Khouri  
State Treasurer 

**SUBJECT:** Aquatic Nuisance Control Target Revenue  
Inflation Adjustment

MCL 324.3306(3) provides that

For each state fiscal year beginning with the 2015-2016 state fiscal year, the state treasurer shall adjust the \$900,000.00 figure in subsection (2) [target Aquatic Nuisance Control Fund fees] by an amount determined by the state treasurer at the end of the preceding fiscal year to reflect the cumulative annual percentage change in the consumer price index. As used in this subsection, "consumer price index" means the most comprehensive index of consumer prices available for this state from the bureau of labor statistics of the United States department of labor.

In fiscal year 2017, the Detroit Consumer Price Index (the most comprehensive index of consumer prices available for Michigan) increased 2.0 percent. Increasing the FY 2017 target revenue (\$909,000) by 2.0 percent yields \$927,180. Thus, the **Aquatic Nuisance Control target revenue amount for FY 2018 equals \$927,180.**

Please call Eric Bussis (373-2148) or me (241-2624) if you have any questions.
