LANSING

RICK SNYDER  
GOVERNOR

NICK A. KHOURI  
STATE TREASURER

**DATE:** August 30, 2016

**TO:** Nick Lyon, Director  
Department of Community Health

**FROM:** Nick Khouri  
State Treasurer 

**SUBJECT:** Certificate of Need Threshold Adjustment for January 1, 2017

Under MCL 333.22221(g) the Department of Community Health shall adjust each January 1, the "covered capital expenditure" threshold in MCL 333.22203(9) "by an amount determined by the state treasurer." The adjustment amount is to reflect "the annual percentage change in the consumer price index, using data from the immediately preceding period of July 1 to June 30."

As last amended by Public Act 619 of 2002, the statute requires the State Treasurer to determine annually the threshold amount. The statutory language is:

Sec. 22221 The department [of community health] shall do all of the following:  
(g) Beginning January 1, 2003, annually adjust the \$2,500,000.00 threshold set forth in section 22203(9) by an amount determined by the state treasurer to reflect the annual percentage change in the consumer price index, using data from the immediately preceding period of July 1 to June 30. As used in this subdivision, "consumer price index" means the most comprehensive index of consumer prices available for this state from the bureau of labor statistics of the United States department of labor.

The cumulative percentage increase in the Detroit CPI-All Urban consumers through the period July 1, 2001-June 30, 2016, is 27.5 percent. **Based on this cumulative increase the January 1, 2017, adjusted threshold will be \$3,187,500.**
