SCHOOL DISTRICT FOR THE CITY OF PONTIAC

AMENDED GENERAL APPROPRIATIONS RESOLUTION FOR 2017-2018 SCHOOL YEAR

The 2017-18 Amended General Appropriations Resolution is based upon the budget for the General Fund. The recommended resolution, in the format provided by the State Department of Education to conform to the Uniform Budgeting Act, P.A. 621, is as follows for consideration.

The proposed amended budget is based upon the information available during the period of preparation including the costs of personnel as specified by current collective bargaining agreements and employee compensation plans and the enrollment and staffing projected for the current year. Adjustments to the budget can be anticipated when significant information is obtained which materially changes revenue or expenditures within the current fiscal year.

RESOLVED, that this resolution shall be the amended general appropriations budget of the School District for the City of Pontiac for the fiscal year 2017-2018 which will match the DEP: A resolution to make appropriations; to provide for the expenditure of the appropriations; and to provide for the disposition of all income received by the School District for the City of Pontiac.

BE IT FURTHER RESOLVED, that the total revenue to be available for appropriation in the **GENERAL FUND** of the School District for the City of Pontiac for the fiscal year 2017-2018 is as follows:

	Original Budget	Amended Budget	ommended nendments

STATE OF MICHIGAN DEPARTMENT OF TREASURY LANSING

RICK SNYDER GOVERNOR NICK A. KHOURI STATE TREASURER

DATE: March 30, 2018

TO: Local Emergency Financial Assistance Loan Board (ELB)

FROM: Michael Wrobel, Michigan Department of Treasury

SUBJECT: Bay City Academy Preliminary Review

Background

In a letter dated July 20, 2017, the Department of Treasury (the "Department") advised the Bay City Academy (the "District") that oversight would transfer from the Michigan Department of Education (MDE) to the Department beginning in January, 2018. Pursuant to 2015 PA 110, section 4(2)(b) (MCL 141.1544), the District is statutorily-mandated to undergo a preliminary review of its finances to determine the existence of probable financial stress. In part, this section provides that the Department, as the State Financial Authority, shall conduct a preliminary review of any school district subject to a DEP which provides for the elimination of its deficit over a period exceeding 5 years. An Interim Report of the Preliminary Review was sent to the District on March 27, 2018. The District was then given five days to respond to that Interim Report. The District and the Department were able to finalize the report on March 30, 2018.

Department of Treasury Recommendation

The Department has been working closely with the District since the Fall of 2017. The Department is of the opinion the District's financial stress is manageable and therefore recommends the ELB find probable financial stress does not exist in Bay City Academy. Under the legislation, the District is required to enter into an Enhanced Deficit Elimination Plan (EDEP) with the Department, which may include a Financial Recovery Agreement. We expect the district to submit its EDEP by the start of the 2019 fiscal year (July 1, 2018).

STATE OF MICHIGAN DEPARTMENT OF TREASURY LANSING

RICK SNYDER GOVERNOR

NICK A. KHOURI STATE TREASURER

March 30, 2018

Mr. Harlan Goodrich, Secretary Local Emergency Financial Assistance Loan Board Community Engagement and Finance Division Michigan Department of Treasury Lansing, MI 48922

Dear Mr. Goodrich:

On March 9, 2018 a preliminary review of the Bay City Academy (the "Academy") began pursuant to MCL §141.1544(2)(b).

An interim report of the preliminary review was sent to the Academy on March 27, 2018. The Academy was then given five days to respond to that interim report. In its response, the Academy submitted information that caused the Department of Treasury to amend the final report. Copies of both the interim report and the Academy's response are included as attachments to the final report of the preliminary review.

As required by MCL §141.1544(3), the final report of the preliminary review is being transmitted to the Local Emergency Financial Assistance Loan Board (ELB) for its review. The ELB will determine whether or not probable financial stress exists in the Academy.

Sincerely,

Edward B. Koryzno, Jr. - Director

Bureau of Local Government and School Services

cc:

Brian Lynch, Superintendent, Bay City Academy

Ryan Moore, Board President, Bay City Academy

Lena Jankowiak, Board Vice President, Bay City Academy

Brian Elder, State Representative, Michigan House of Representatives

RICK SNYDER GOVERNOR NICK A. KHOURI STATE TREASURER

DATE: March 30, 2018

TO: Local Emergency Financial Assistance Loan Board

FROM: Michael Wrobel, Manager of the Outreach, School Review, and Fiscal Analysis Section

SUBJECT: Final Preliminary Review Report – Bay City Academy

I. Background

On March 9, 2018 the Department of Treasury (the "Department") initiated a Preliminary Review of the finances of Bay City Academy (the "District") to determine whether or not the school district exhibited probable financial stress. Pursuant to 2015 PA 110, section 4 (2) (b) (MCL §141.1544), the District is statutorily mandated to undergo a preliminary review of its finances to determine the existence of probable financial stress. In part, this section provides that the Department, as the State Financial Authority, shall conduct a preliminary review of any school district that is subject to a Deficit Elimination Plan (DEP) that provides for the elimination of deficit over a period exceeding 5 years.

II. Final Review Findings

The following are facts or circumstances determined by the Department that are indicative of probable financial stress pursuant to 2015 PA 110, section 4(1)(s):

1) The last approved DEP exceeds seven or more consecutive years (including the current year); and/or

Finding:

The District's current DEP (attachment A) approved by the Michigan Department of Education in November 2016 and extends 5 years through the 2020-2021 fiscal year.

The District does not meet this criteria.

2) The district's existing deficit is greater than 15% of general fund revenues;

Finding:

The District's approved 2017-2018 budget reflects total general fund revenues of \$3,018,359 for the 2017-2018 fiscal year. The District's total projected fund balance for 2017-18 is -\$1,220,054 indicating their deficit is 40.4% of their total general fund revenues.

The District does meet this criteria.

3) A fiscal review by one of the Department's program offices or an external auditor has revealed one or more material internal control weaknesses as evidenced by notes/findings in the financial audit related to:

- a) Lack of written policies and procedures or failure to follow the written policies and procedures
- b) Immediate concerns with cash shortfalls in current fiscal year which may lead to additional financings or emergency loan
- c) Excessive variances on Final Expenditure Reports (FER) for grants with federal funds
- d) History of spending outside the appropriations established by the local school board in violation of Uniform Budgeting and Accounting Act (UBAA)
- e) Significant audit findings and/or material weaknesses identified in the single audit; and

Finding:

- a) No deficiency noted.
- b) District is currently not anticipating a cash flow shortfall for FY 18.
- c) There are no excessive variances on FER for grants with federal funds (attachment C).
- d) The board passed a balanced budget on June 20th 2014 for the 2015 fiscal year calling for a savings of \$19,786 on budgeted revenue of \$4,710,500. They closed the year with a fund balance of (\$1,359,479) and received only \$3,724,629 in revenue. For the 2016 Fiscal year, the board was able to close the year at an audited surplus of \$204,019 leaving a fund balance of (\$1,155,458). For 2017, a budget calling for a savings of \$25,721 ended up at (\$99,246) putting the general fund balance at (\$1,254,704). The 2018 budget called for a savings of \$19,346 with an outstanding general fund deficit of (\$1,254,704). An amendment was passed in November improving savings to \$51,747, cutting the deficit to (\$1,202,949).

This information is summarized below:

Fiscal Year	Budgeted Rev-Exp	Actual Rev-Exp	Fund Balance
2014	\$82,397	\$11,438	\$31,181
2015	\$19,786	\$(1,390,666)	\$(1,359,479)
2016	\$166,301	\$204,019	\$(1,155,458)
2017	\$25,721	\$(99,246)	\$(1,254,704)
2018	\$51,747	-	-

The District does meet this criteria.

- e) The District received 4 audit findings for Fiscal Year 17: (attachment D):
 - i. 2017-001 (Repeat Finding 2016-001): Relying on external auditor to compile financial information
 - ii. 2017-002 (Repeat Finding 2016-002): Maintain appropriate control over expenditures
 - iii. 2017-003 (Repeat Finding 2016-003): Deficit Fund Balance not allowed
 - iv. 2017-004(Repeat Finding 2016-004): Cannot adopt budget projecting overall deficit

The District does meet this criteria.

- 4) The district has shown unsatisfactory progress in eliminating a deficit. This is determined by identifying one or more of the following conditions:
 - a) A deficit increase is planned the future fiscal year

- b) Lack of cooperation from the district in submitting deficit information (i.e., late submission of the DEP, delinquent return of phone calls or correspondence relating to the DEP, and chronic late submission of Monthly Budgetary Control Reports.)
- c) History of supplying the Department with DEP information that is inaccurate or inconsistent with actual revenues and expenditures at year end; and/or

Finding:

- a) The District's deficit is showing a decrease from (\$1,254,696) in the 2017-2018 fiscal year to a projected (\$1,202,949) on June 30, 2018. The Department and District will work on revised projections during the Enhanced Deficit Elimination Plan (EDEP) process.
- b) No deficiency noted.
- c) Using information from their posted budgets at baycityacademy.com, in FY 16, the district adopted a budget that endeavored to cut \$166,301 from a deficit of \$1,333,730. Their FY17 budget shows they came up \$71,971 short. In FY 17, the Board passed a budget that aimed to cut \$25,721 from the new deficit of \$1,239,400. They instead lost \$57,081 putting their posted fund balance as of June 30th, 2017 at \$1,239,400. The posted budget for 2018 hopes to cut \$51,747. There is a recurring finding in the audits that speaks to this issue. Audit Finding 2017-002 (a repeat finding of 2016-002) states, "The Academy did not appropriately monitor actual expenditures and budget amounts so that disbursements were within the approved budget".

The District does meet this criteria.

Other Findings:

- 1) The District has experienced difficulty in paying their State Aid Notes and a bus note according to the original terms of the agreements.
 - a) Wildfire Credit Union supplied a \$700,000 state aid note with the final payment due March 2015. At June 30, 2017, the balance due on this note is \$518,361. This note has been renegotiated each year.
 - b) During the 2014-15 year, the District obtained a \$1,500,000 state aid note from First National Bank with final payment due September 2015. The balance due on this note June 30, 2017 is \$1,330,000. The loan has been renegotiated several times.
 - c) During 2015-16, the district obtained a \$161,534 bus note with final payment due October 2016. On June 30, 2017, the district owed \$108,549. The audit shows the balance and final payment will be made by the district October 2019.

All of the above items are listed as short term debt in the district audits. By definition, short term debt should be paid in full within a calendar year. The district is unable to make payment in full and so requires their creditors to renegotiate terms each year. The Department notes that an amount of principal has been paid down on each loan in each fiscal year.

BAY CITY ACADEMY Schedule of Findings and Responses For the Year Ended June 30, 2017

2017-001 (Repeat Finding **2016-001**)

Criteria or Specific Requirement

The preparation of financial statements is the responsibility of the Academy management and requires internal controls over both; (1) recording, processing and summarizing financial data (i.e., maintaining internal books and records) and (2) reporting this financial data in the form of financial statements, including all related footnote disclosures (i.e., external financial reporting).

Condition

As is the case with many small schools, the Academy is relying on their independent external auditors to assist with preparation of the financial statements and related note disclosures as part of its external financial reporting process.

Cause/Effect

This condition was caused by the Academy's decision that it is more cost effective to outsource the preparation of its annual financial statements to auditors than to incur the time and expense to obtain the necessary training and expertise required by the Academy to perform this task internally. The Academy's ability to adjust its books and records and prepare financial statements is based, in part, on its reliance on its external auditors who cannot, by definition, be considered a part of the Academy's internal control.

Recommendation

We recommend the Board review this decision annually and evaluate the cost effectiveness of outsourcing the preparation process to determine if this function can be implemented internally.

Views of the Responsible Officials and Planned Corrective Action

We have determined the cost of completing GAAP basis financial statements internally outweighs the benefit to be received. Refer to our corrective action plan for additional information.

BAY CITY ACADEMY

Schedule of Findings and Responses For the Year Ended June 30, 2017

2017-002 (Repeat Finding 2016-002)

Criteria or Specific Requirement

The State of Michigan requires Michigan School Districts to maintain appropriate controls over expenditures so that disbursements do not exceed budgeted amounts.

Condition

The Academy incurred unfavorable variances in a number of its General Fund expenditure accounts. These variances resulted in a violation of the Uniform Accounting and Budgeting and Budgeting Act, Michigan Public Act of 1978 (Act).

Cause/Effect

The Academy did not appropriately monitor actual expenditures and budget amounts so that disbursements were within the approved budget.

Recommendation

We recommend the Academy should implement measures to monitor its financial activity and amend its budgets when necessary, in accordance with requirements of the Act.

Views of the Responsible Officials and Planned Corrective Action

The prior management company was terminated as of April 2015. As of May 1st, 2015 the new management team took over and will make sure that actual expenditures do not exceed the budgeted expenditures. Refer to our corrective action plan for additional information.

BAY CITY ACADEMY Schedule of Findings and Responses For the Year Ended June 30, 2017

2017-003 (Repeat Finding **2016-003**)

Criteria or Specific Requirement

The Uniform Accounting and Budgeting Act, Michigan Public Act of 1978, does not allow a local unit of government to have a deficit fund balance.

Condition

As of June 30, 2017, the General Fund has an unassigned deficit fund balance.

Cause/Effect

Lack of adequate budgetary controls in 2015 contributed to the significant accumulated deficit at June 30, 2017. The Academy is not in compliance with the Michigan Uniform Accounting and Budgeting Act for its General Fund.

Recommendation

We recommend that management and the Board of Directors review the 2017-2018 fiscal year budget and continue to work with the State of Michigan to develop a plan to eliminate the unassigned deficit in the General Fund.

Views of the Responsible Officials and Planned Corrective Action

A plan of action filed with the State of Michigan. The management team has eliminated several jobs and many other expenses. The eliminated jobs are being taken over by the new management company or distributed to other administrative employees. With regard to cutting expenditures, the new management company is currently looking to renegotiate the Academy's debt and receive concessions from current vendors. Expenditures of the Academy are being aggressively bid out in a more formal process. Refer to our corrective action plan for additional information.

BAY CITY ACADEMY

Schedule of Findings and Responses For the Year Ended June 30, 2017

2017-004 (Repeat Finding 2016-004)

Criteria or Specific Requirement

The Uniform Accounting and Budgeting Act, Michigan Public Act 621 of 1978, does not allow a local unit of government to adopt a budget projecting an overall deficit in its fund balance at year end.

Condition

The final approved budget adopted for the General Fund for the 2016-2017 reflected a deficit fund balance at year end.

Cause/Effect

Lack of adequate budgetary controls in 2015 contributed to the significant accumulated deficit at June 30, 2017 The Academy is not in compliance with the Michigan Uniform Accounting and Budgeting Act for its General Fund.

Recommendation

We recommend that management and the Board of Directors review the General Fund budget for 2017-2018 and modify expected revenues and expenditures to work toward a balanced budget.

Views of the Responsible Officials and Planned Corrective Action

The management team and the Board of Directors will be working to closely monitor the Academy's budget as it pertains to the actual expenditures. Refer to our corrective action plan for additional information.

RICK SNYDER GOVERNOR NICK A. KHOURI STATE TREASURER

DATE: March 27, 2018

TO: Brian Lynch, Superintendent

Ryan Moore, Board President

FROM: Michael Wrobel, Manager of the Outreach, School Review, and Fiscal

Accountability Section

SUBJECT: Interim Preliminary Review Report – Bay City Academy

I. Background

On March 9, 2018 the Department of Treasury (the "Department") initiated a Preliminary Review of the finances of Bay City Academy (the "District") to determine whether or not the school district exhibited probable financial stress. Pursuant to 2015 PA 110, section 4 (2) (b) (MCL §141.1544), the District is statutorily mandated to undergo a preliminary review of its finances to determine the existence of probable financial stress. In part, this section provides that the Department, as the State Financial Authority, shall conduct a preliminary review of any school district that is subject to a Deficit Elimination Plan (DEP) that provides for the elimination of deficit over a period exceeding 5 years.

Under 2015 PA 110, section 4 (3), the Department shall provide an interim report of its findings to the District within 20 days following the commencement of the preliminary review. The school district may provide comments within 5 days after the interim report is provided to the District. Thereafter, the Department shall prepare and provide a final report detailing its preliminary review to the Emergency Loan Board within 30 days following commencement of the preliminary review.

II. Final Review Findings

The following are facts or circumstances determined by the Department that are indicative of probable financial stress pursuant to 2015 PA 110, section 4(1)(s):

1) The last approved DEP exceeds seven or more consecutive years (including the current year); and/or

Finding:

The District's previous DEP (attachment A) approved by the Michigan Department of Education in November 2016 and extends 5 years through the 2020-2021 fiscal year.

The District does not meet this criteria.

2) The district's existing deficit is greater than 15% of general fund revenues;

Finding:

The District's approved 2017-2018 budget (attachment B) reflects total general fund revenues of \$2,908,084 for the 2017-2018 fiscal year. The District's total projected fund balance for 2017-18 is (\$1,202,949) indicating their deficit is 41.4% of their total general fund revenues.

The District does meet this criteria.

- 3) A fiscal review by one of the Department's program offices or an external auditor has revealed one or more material internal control weaknesses as evidenced by notes/findings in the financial audit related to:
 - a) Lack of written policies and procedures or failure to follow the written policies and procedures
 - b) Immediate concerns with cash shortfalls in current fiscal year which may lead to additional financings or emergency loan
 - c) Excessive variances on Final Expenditure Reports (FER) for grants with federal funds
 - d) History of spending outside the appropriations established by the local school board in violation of Uniform Budgeting and Accounting Act (UBAA)
 - e) Significant audit findings and/or material weaknesses identified in the single audit; and

Finding:

- a) No deficiency noted.
- b) District is currently not anticipating a cash flow shortfall for FY 18.
- c) There are no excessive variances on FER for grants with federal funds (attachment C).
- d) The board passed a balanced budget on June 20th 2014 for the 2015 fiscal year calling for a savings of \$19,786 on budgeted revenue of \$4,710,500. They closed the year with a fund balance of (\$1,359,479) and received only \$3,724,629 in revenue. For the 2016 Fiscal year, the board was able to close the year at an audited surplus of \$204,019 leaving a fund balance of (\$1,155,458). For 2017, a budget calling for savings of \$25,721 ended up at (\$99,246) putting the general fund balance at (\$1,254,704). The 2018 budget called for a savings of \$19,346 with an outstanding general fund deficit of (\$1,254,704).

This information is summarized below:

Fiscal Year	Budgeted Rev-Exp	Actual Rev-Exp	Fund Balance
2014	\$82,397	\$11,438	\$31,181
2015	\$19,786	\$(1,390,666)	\$(1,359,479)
2016	\$166,301	\$204,019	\$(1,155,458)
2017	\$25,721	\$(99,246)	\$(1,254,704)
2018	\$19,346	TBD	TBD

The District does meet this criteria.

- e) The District received 4 audit findings for Fiscal Year 17: (attachment D):
 - i. 2017-001 (Repeat Finding 2016-001): Relying on external auditor to compile financial information
 - ii. 2017-002 (Repeat Finding 2016-002): Maintain appropriate control over expenditures
 - iii. 2017-003 (Repeat Finding 2016-003): Deficit Fund Balance not allowed
 - iv. 2017-004(Repeat Finding 2016-004): Cannot adopt budget projecting overall deficit

The District does meet this criteria.

- 4) The district has shown unsatisfactory progress in eliminating a deficit. This is determined by identifying one or more of the following conditions:
 - a) A deficit increase is planned the future fiscal year
 - b) Lack of cooperation from the district in submitting deficit information (i.e., late submission of the DEP, delinquent return of phone calls or correspondence relating to the DEP, and chronic late submission of Monthly Budgetary Control Reports.)
 - c) History of supplying the Department with DEP information that is inaccurate or inconsistent with actual revenues and expenditures at year end; and/or

Finding:

- a) The District's deficit is showing a decrease from (\$1,254,696) in the 2017-2018 fiscal year to a projected (\$1,202,949) on June 30, 2018. The Department and District will work on revised projections during the Enhanced Deficit Elimination Plan (EDEP) process.
- b) No deficiency noted.
- c) The District has passed budgets in recent years that are inaccurate and inconsistent when viewed from year end. Furthermore, budgets posted on their website are not consistent with numbers pulled from the Financial Information Database within the Center for Education Information and Performance. Using information from their posted budgets at baycityacademy.com, in FY 16, the district adopted a budget that endeavored to cut \$166,301 from a deficit of \$1,333,730. Their FY17 budget shows

they came up \$71,971 short. In FY 17, the Board passed a budget that aimed to cut \$25,721 from the new deficit of \$1,239,400. They instead lost \$57,081 putting their posted fund balance as of June 30th, 2017 at \$1,239,400. The posted budget for 2018 hopes to cut \$19,346.

It should be noted that none of the numbers listed above match audited numbers posted in the Financial Information Database and the Center for Education and Performance Information.

The District does meet this criteria.

Other Findings:

- 1) The District has experienced difficulty in paying their State Aid Notes and a bus note according to the original terms of the agreements.
 - a) Wildfire Credit Union supplied a \$700,000 state aid note with the final payment due March 2015. At June 30, 2017, the balance due on this note is \$518,361. This note has been renegotiated several times with various payment dates and terms that have not been fulfilled.
 - b) During the 2014-15 year, the District borrowed \$1,500,000 state aid note from First National Bank with final payment due September 2015. The balance due on this note June 30, 2017 is \$1,330,000. The loan has been renegotiated several times with the district failing to make the monthly payments.
 - c) During 2015-16, the district obtained a \$161,534 bus note with final payment due October 2016. On 6/30/17, the district owed \$108,549. The audit shows the balance and final payment will be made by the district October 2019.
- 2) The District has experienced declining enrollment for the last four years. Future projections show an increase in enrollment, which contradict the enrollment trend.

Fiscal Year	2014	2015	2016	2017	2018
Student Count	551.86	469.72	397.89	337.18	322.00*
Change	28.86	(82.14)	(71.83)	(60.71)	(15.18)

*claimed a "recent spike in enrollment" in a press release regarding an extension of their charter. In fact, they have an audited decrease of more than 15 FTE, representing a one-year decline of 4.7% on the previous year.

The District has five days to respond to these findings. Any comments the District would like to provide to the Department are due April 3, 2018. Please send documents and questions to Michael Wrobel at wrobel.nc.nc.nih.gov or (517) 335-3247.

Subject: Prelim prelim

Michael,

The things I would like to discuss with you on Friday are:

3D-History of spending outside the appropriations-under findings "The 2018 budget called for a savings of \$19,346-that number is from the original budget. The amended budget calls for a savings of \$51,747. Fund balance would then be (\$1,202,949). The chart under 3D would have to be updated if you agree.

4C-Where is this information coming from? Is this just stating that we did not perform exactly as budgeted?

Other Findings:

- 1(a) When you say "terms have not been fulfilled" I do not understand that, we do acquire a new loan from the same institution to pay off the old loan in full. Never missing a payment and we have been paying down the debt. (see my attachments as support)
- 1(b) This is the same situation. No missed payments. Reduction of principal
- 1(c) Same situation. We prepay the lease every October and we get new financing each year from the same source.

All lenders have been paid timely with principal reduction.

2 "claimed a recent spike in enrollment" the press release referred to:

September 2018 opening day kid count of 188 students in Bay City October 2018 actual count day = 197 students in Bay City Enrollment at the time of the press release was 208 students in Bay City or +20 for the school year.

Looking forward to talking on Friday,

Michael Randel, CPA

LOCAL EMERGENCY FINANCIAL ASSISTANCE LOAN BOARD ORDER 2018-7

DETERMINATION OF PROBABLE FINANCIAL STRESS

FOR THE BAY CITY ACADEMY STATE OF MICHIGAN

WHEREAS, Subsection 4(2)(b) of 2012 Public Act (PA) 436, the Local Financial Stability and Choice Act ("the Act"), mandates that the State Treasurer conduct a preliminary review to determine the existence of probable financial stress in a school district if the school district is subject to a deficit elimination plan under Section 1220 of 1976 PA 451, the Revised School Code, which exceeds five (5) years; And

WHEREAS, on March 9, 2018, the State Treasurer commenced a preliminary review of the Bay City Academy ("the Academy") based upon, among other things, a determination that the Academy's deficit elimination plan exceeded a time period of five (5) years; And

WHEREAS, in accord with Subsection 4(3) of the Act, an interim report was provided to Academy officials on March 27, 2018, and Academy officials were afforded the five (5) days allowed under the Act to offer comment; And

WHEREAS, Subsection 4(3) of the Act requires a final preliminary review report to be submitted to the Local Emergency Financial Assistance Loan Board within 30 days of being commenced; And

WHEREAS, on March 30, 2018, the State Treasurer submitted to the Local Emergency Financial Assistance Loan Board the final report detailing the preliminary review of the Academy; And

WHEREAS, Subsection 4(3) of the Act requires that, within 20 days of receiving the final preliminary review report, the Local Emergency Financial Assistance Loan Board shall determine if probable financial stress exists in the Academy; And

WHEREAS, on April 9, 2018, at a duly noticed public meeting, the Local Emergency Financial Assistance Loan Board reviewed and considered the final report of the State Treasurer detailing the preliminary review of the Academy, which review and consideration included an opportunity for representatives of the Academy to be heard concerning the matter; And

WHEREAS, Section 2 of 1980 PA 243, the Emergency Municipal Loan Act, established the Local Emergency Financial Assistance Loan Board and enumerates its powers, among which is the power "to act by an order issued in the name of the board and signed by the members of the board."

NOW, THEREFORE, be it ordered by the Local Emergency Financial Assistance Loan Board as follows:

- 1. That, having reviewed and considered the final report of the State Treasurer detailing the preliminary review of the Academy and being fully advised in the premises, the Local Emergency Financial Assistance Loan Board determines, pursuant to Subsection 4(3) of the Act, that probable financial stress exists in the Academy.
- 2. That the Michigan Department of Treasury transmit respectfully and forthwith to the Office of the Governor a copy of this Order and a copy of the final report of the State Treasurer detailing the preliminary review of the Academy.
- 3. This Order shall have immediate effect.

IN WITNESS WHEREOF, the members of the Board, or their designees, have signed and executed this Order of Approval.

DATE: April 9, 2018

TO: Local Emergency Financial Assistance Loan Board (ELB)

FROM: John Barton, Bureau of State and Authority Finance

Brian Lefler, R.W. Baird

SUBJECT: Subordination of Emergency Loans – Treasury Summary Memo

Background

Pursuant to Public Act 243 of 1980, as amended, the Local Emergency Financial Assistance Loan Board (ELB) has approved emergency loans to certain municipalities and school districts. In addition to Emergency Loans, these municipalities and school districts have issued or may intend to issue debt either through the Michigan Finance Authority (MFA) or as stand-alone obligations issued directly by the municipality or school district. These debt obligations issued either through the MFA or as stand-alone transactions typically share the same revenue pledge as the emergency loans e.g. revenue sharing or state school aid. Recent experience has shown potential investors, purchasers, or third party providers of credit enhancement (bond insurers) have either hesitated to participate or declined to participate in the MFA's or stand-alone transactions because they view the language in the ELB's emergency loan Orders and related Notes to be ambiguous as it relates to the State Treasurer's ability to withhold state sourced revenues in the event of payment shortfall. By statute, in the event of a repayment default on an emergency loan, the State Treasurer "may" intercept State sourced revenues, such as revenue sharing or state school aid, to cover any emergency loan payment shortfalls.

Recommendation

An ELB Order providing for explicit subordination is recommended to provide clarity to investors which may hold or purchase future bonds of the Michigan Finance Authority (MFA) for the benefit of a municipality or school district with outstanding emergency loan(s). Further, for standalone transactions, it is recommended the ELB provide explicit authorization via delegation authority to the State Treasurer to provide for the subordination of emergency loans to stand-alone transactions not issued through the MFA on a case-by-case basis.

LOCAL EMERGENCY FINANCIAL ASSISTANCE LOAN BOARD ORDER 2018-8

ORDER APPROVING SUBORDINATION OF EMERGENCY LOANS TO OTHER OBLIGATIONS OF MUNICIPALITIES

WHEREAS, pursuant to the Emergency Municipal Loan Act, Public Act 243 of 1980, as amended (the "Act"), the Local Emergency Financial Assistance Loan Board has made loans to the municipalities listed on Exhibit A attached hereto; And

WHEREAS, certain of those municipalities require additional funding for which they have issued or intend to issue debt through the Michigan Finance Authority (the "MFA") or as standalone obligations, which debt shares the same revenue pledge as the loans made by the Local Emergency Financial Assistance Loan Board; And

WHEREAS, due to uncertainty regarding the priority of the pledge of such revenues among the obligations, municipalities have found it difficult to obtain credit enhancement and to attract purchasers of such debt; And

WHEREAS, Section 2 of the Act provides the Local Emergency Financial Assistance Loan Board with authority to set the terms and conditions associated with loans made under the Act;

And

WHEREAS, in order to facilitate the issuance of debt by municipalities, the Michigan Department of Treasury is recommending that the priority of the pledged revenues among the abovedescribed obligations be clarified to provide that with respect to the pledge of the proceeds of operating taxes, revenue sharing and state school aid payments, as applicable, to repayment of the loans listed in attached Exhibit A, (i) such pledge shall be subordinate to the pledge of those revenues to all state aid notes, tax anticipation notes and other debt issuances sold to the MFA, and (ii) with the approval of the State Treasurer, such pledge may be subordinated to the pledge of those revenues to all state aid notes, tax anticipation notes and other debt issuances sold to parties other than the MFA.

NOW, THEREFORE, be it ordered by the Local Emergency Financial Assistance Loan Board as follows:

- 1. The pledge of the proceeds of operating taxes, revenue sharing and state school aid payments, as applicable, to repayment of the loans listed in attached Exhibit A, shall be subordinate to the pledge of those revenues to all state aid notes, tax anticipation notes and other debt issuances sold to the MFA.
- 2. The State Treasurer is hereby authorized to permit the subordination of the pledge of the proceeds of operating taxes, revenue sharing and state school aid payments, as applicable, to repayment of the loans listed in attached Exhibit A, to the pledge of those revenues to all state aid notes, tax anticipation notes and other debt issuances sold to parties other than the MFA.
- 3. The State Treasurer is hereby authorized to execute on behalf of the Local Emergency Financial Assistance Loan Board any such agreements or documents as deemed necessary or appropriate to evidence the subordination approved herein.
- 4. This Order shall have immediate effect.

IN WITNESS WHEREOF, the members of the Board, or their designees, have signed and executed this Order of Approval.

RICK SNYDER GOVERNOR NICK A. KHOURI STATE TREASURER

DATE: April 9, 2018

TO: Local Emergency Financial Assistance Loan Board (ELB)

FROM: Paul G. Connors, Michigan Department of Treasury

SUBJECT: Highland Park School District Loan Compliance

Executive Summary

With the Highland Park School District (the District) to be removed from PA 436 receivership in April 2018, the Emergency Loan Board (ELB) wants to assure District compliance with the terms of the 2012 and 2013 emergency loans.

Financial Background

In 2012, Governor Snyder declared the District was in a financial emergency. On March 12, 2012, the District's first emergency manager was appointed. At the end of FY 2011, the District's general fund deficit had increased from \$7.5M to \$11.3M. Moreover, pupil enrollment had decreased from 3,179 in 2006 to 1,331 in 2011.

In July 2012, the emergency manager established a new public school academy (PSA) system to provide educational services to District students. The District entered into a five-year contract with the PSA that expired in June 2017 and has subsequently be renewed through June 2018. Despite the creation of the charter system student enrollment continued to decline. By 2015, high school enrollment had fallen to 160 students. That year, the emergency manager announced that the high school would close and grades 9-12 educational programs and services would be provided by Detroit Public Schools. Currently, the District educates no students and serves as the authorizer for the Highland Park Public School Academy (Pre K-8), whose pupil count is 365.

In August 2012, the ELB approved a request from the District for a \$4.4M emergency loan. The 2012 loan will be repaid over 30 years at a fixed interest rate of 2.35%.

In January 2013, the ELB approved a request from the District for a second emergency loan of \$3M. The 2013 loan will be repaid over 30 years at a fixed interest rate of 2.30%.

Progress and Accomplishments

In April 2018, Emergency Manager Kevin Smith's 18-month gubernatorial appointment expires. The Governor decided that another emergency manager will not be appointed and the District shall be governed by its elected board of education. Prior to departing, Mr. Smith will issue a number of Emergency Orders that include extending the PSA contract through 2018-2019; restating its high school services agreement with Detroit Public Schools Community District; and

adopting a two-year budget. Moreover, Mr. Smith has entered into repayment agreements with all known creditors. State aid will be intercepted by a trustee, who will ensure compliance with all repayment agreements.

Rationale for Emergency Loan Board Order

To ensure District compliance with the terms of the 2012 and 2013 emergency loans, the ELB orders the following:

- District shall not directly operate schools until loans are repaid.
- District shall contract with one of more school districts, intermediate school districts, PSA, or universities to provide public education until emergency loans are repaid.
- State Treasurer shall withhold District's portion of the revenue generated by the Local Community Stabilization Authority Act (2014 PA 86) in case District is delinquent in its emergency loan payments.
- State Treasurer shall supervise the District's compliance with this order.
- ELB may waive a provision of this order if the District demonstrates good cause for the waiver.

RICK SNYDER GOVERNOR NICK A. KHOURI STATE TREASURER

LOCAL EMERGENCY FINANCIAL ASSISTANCE LOAN BOARD

LANSING

ORDER 2018-9

ORDER OF APPROVAL OF EMERGENCY LOAN

THE LOCAL EMERGENCY FINANCIAL ASSISTANCE LOAN BOARD, ACTING IN RELATION TO LOANS MADE TO

THE SCHOOL DISTRICT OF THE CITY OF HIGHLAND PARK COUNTY OF WAYNE STATE OF MICHIGAN

A local fiscal emergency exists within The School District of the City of Highland Park (the "District").

In response to the local fiscal emergency, on August 16, 2012, the District, with the approval of the Local Emergency Financial Assistance Loan Board (the "Board") under Order 2012-7, borrowed the original principal amount of \$4,410,000.00 for the purpose of enabling the District to meet its financial obligations (the "2012 Loan").

On January 18, 2013, the District, with the approval of the Board under Order 2013-3, borrowed an additional \$3,000,000.00 for the purpose of enabling the District meet its financial obligations (the "2013 Loan").

To repay these obligations of the District to the State of Michigan, the District has pledged revenue from school operating taxes levied by the District under Section 1211 of the Revised School Code, 1976 PA 451, as amended, MCL 380.1211. While that revenue is used to repay the 2012 Loan and the 2013 Loan, it is not available to pay for the direct operation of schools by the District.

As a result, to assure the continued provision of educational services to District residents while the 2012 Loan and the 2013 Loan are repaid, the District does not directly operate schools on its own and instead contracts for the provision of public educational services to District residents in Kindergarten to 8th Grade with the Highland Park Public School Academy System and with the Detroit Public Schools Community District for the provision of educational services to District residents in 9th to 12th Grade.

The District lacks the financial resources to directly educate students on its own while also satisfying its obligation to repay the principal and interest owed on the 2012 Loan and the 2013 Loan.

The Board wants to assure compliance with the terms of the 2012 Loan and the 2013 Loan.

The Board therefore orders the following:

- 1. No Direct Operation of Schools. For any school year in which any principal or interest on the 2012 Loan or the 2013 Loan remains unpaid, the District shall not operate a public school directly on its own and may not use revenue from school operating taxes levied under Section 1211 of the Revised School Code, 1976 PA 451, as amended, MCL 380.1211, for the purpose of operating a public school directly on its own.
- 2. Provision of Public Educational Services. For each school year in which paragraph 1 applies, the District shall contract with one or more other school districts, intermediate school districts, public school academies, or universities to provide public educational services to the residents of the District.
- 4. Additional Security. As additional security for the repayment of the 2012 Loan and the 2013 Loan, the District shall pledge and assign to the repayment of principal of or interest on the 2012 Loan and the 2013 Loan the State Treasurer's right to withhold delinquent payments due on the Emergency Loan from the District's portion of the revenue generated by the local community stabilization share tax levied under the Use Tax Act, 1937 PA 94, as amended, MCL 205.91 to 205.111, and payable by the Michigan Department of Treasury to the Local Community Stabilization Authority created under the Local Community Stabilization Authority Act, 2014 PA 86, MCL 123.1341 to 123.1362, for distribution to the District and other governmental entities.
- 5. **Supervision.** The State Treasurer shall supervise the District's compliance with this order.
- 6. Waiver. The Board may waive a provision of this order if the District demonstrates good cause for the waiver to the satisfaction of the Board, and if permitted under applicable law. No waiver will be effective unless approved by the Board and in writing.

The Board has approved this order at a properly-noticed open meeting and the members of the Board are signing the order on the date indicated.
