Mr. Wrobel noted that the district went into deficit in fiscal year 2014 with an annual deficit of \$918,901, and incurred further losses in fiscal year 2015 and 2016 of \$902,039 and \$164,943 respectively. Mr. Wrobel noted that fiscal year 2017 was the first positive year in over 7 years with an audited positive impact of \$14,290 on the fund balance. Mr. Wrobel noted that in speaking with the district and compiling the preliminary review, the team at Treasury felt the financial situation was manageable and did not recommend finding probable fiscal stress.

No members of South Lake Schools added comment to the Order.

Anne Wohlfert called for a motion regarding the proposal. A motion was made by John Walsh to approve the Order of No Probable Financial Stress. The motion was supported by LeAnn Droste. The motion was unanimously approved by the Board.

V. Order 2018-11, Detroit Public Safety Academy, Determination if Probable Financial Stress exists for Detroit Public Safety Academy

Navneet Adhi from the Department of Treasury was asked to speak. Miss. Adhi noted that the Academy went into deficit in fiscal year 2014 with an annual deficit of \$637,992. As of the fiscal year 2018 audit, the Academy's deficit is \$543,862, showing savings of \$77,531. It was noted that one of the main reasons that Academy incurred a deficit was because of enrollment. The Academy budgeted for 275 students and received 59.8 during fiscal year 2014. For fiscal year 2019, the Academy budgeted for 350 students; however, only received 264 as of the October Count Day. It was noted that within a 2-mile radius, there are 27 schools that students can attend. During the process, the Academy brought to the Department's attention a projected cash flow shortage of \$(828,573.95). It was noted that expenses are only collected by the management company if the cash is available. Based on communication with the Academy, an emergency loan will not be needed. In speaking with

the district and compiling the preliminary review, the team at Treasury felt the financial situation is manageable and therefore recommends no probable fiscal stress.

No members of Detroit Public Safety Academy added comment to the Order.

Anne Wohlfert called for a motion regarding the proposal. A motion was made by John Walsh to approve the Order of No Probable Financial Stress. The motion was supported by LeAnn Droste. The motion was unanimously approved by the Board. M/S/P

Re: Bond Authorizing Resolution – UTGO Bonds, Series 2018 and Refunding Bonds

Dear Honorable Detroit City Council Members:

The CFO's Office respectfully submits the proposed Bond Authorizing Resolution – UTGO Bonds, Series 2018 and Refunding Bonds. The City's credit profile has been improving and there are strong market conditions that support a return to the capital markets at this time. A UTGO financing will provide the City with the necessary capital to make needed investments that will improve the quality of life for Detroiters and help spur economic growth. In addition, there may be an opportunity for the City to repurchase and refinance a portion of outstanding LTGO bonds that will create savings and help the City proactively address rising debt service costs.

Should you have any questions, please do not hesitate to contact me or my office.

Best regards,

John W. Hill

Notwithstanding any other provision of this bond, as long as the MFA is the owner of this bond, (a) this bond is payable as to principal, premium, if any, and interest at the corporate trust office of U.S. Bank National Association, Lansing, Michigan, or at such other place as shall be designated in writing to the City by the MFA (the "MFA's Depository"); (b) the City agrees that it will cause the Trustee to deposit with the MFA's Depository payments of the principal of, premium, if any, and interest on this bond in immediately available funds at least five business days prior to the date on which any such payment is due, whether by maturity, redemption or otherwise; and (c) written notice of any redemption of this bond shall be given by the City and received by the MFA's Depository at least 40 days prior to the date on which such redemption is to be made.

Additional Interest

In the event of a default in the payment of principal or interest hereon when due, whether at maturity, by redemption or otherwise, the amount of such default shall bear interest (the "additional interest") at a rate equal to the rate of interest which is two percent above the MFA's cost of providing funds (as determined by the MFA) to make payment on the bonds of the MFA issued to provide funds to purchase this bond, but in no event in excess of the maximum rate of interest permitted by law. The additional interest shall continue to accrue until the MFA has been fully reimbursed for all costs incurred by the MFA (as determined by the MFA) as a consequence of the City's default. Such additional interest shall be payable on the interest payment date following demand of the MFA. In the event that (for reasons other than the default in the payment of any municipal obligation purchased by the MFA) the investment of amounts in the reserve account established by the MFA for the bonds of the MFA issued to provide funds to purchase this bond fails to provide sufficient available funds (together with any other funds which may be made available for such purpose) to pay the interest on outstanding bonds of the MFA issued to fund such account, the City shall and hereby agrees to pay on demand only the City's pro rata share (as determined by the MFA) of such deficiency as additional interest on this bond.

[Additional Security provisions as applicable]

This bond is transferable only upon the registration books of the City by the Registered Owner of record in person, or by the registered owner's attorney duly authorized in writing, upon the surrender of this bond together with a written instrument of transfer satisfactory to the City duly executed by the Registered Owner or the Registered Owner's attorney duly authorized in writing, and thereupon a new registered bond or bonds in the same aggregate principal amount and of the same maturity shall be issued to the transferee in exchange therefor as provided in the resolution authorizing this bond and upon the payment of the charges, if any, therein prescribed.

Section 310. The MFA's Depository. Notwithstanding any other provision herein to the contrary, as long as the MFA is the owner of the Refunding Bonds, the Refunding Bonds are payable as to principal, premium, if any, and interest at the corporate trust office of U.S. Bank National Association, Detroit, Michigan, or such other qualified bank or financial institution as shall be designated in writing to the City by the MFA (the "MFA's Depository"). The City will deposit, or cause the Trustee, to deposit with the MFA's Depository payments of the principal of, premium, if any, and interest on the Refunding Bonds in immediately available funds at least five business days prior to the date on which any such payment is due whether by maturity, redemption or otherwise. Written notice of any redemption of the Refunding Bonds shall be given by the City and received by the MFA's Depository at least 40 days prior to the date on which such redemption is to be made.

Section 311. Sale of Refunding Bonds to Underwriters or Direct Purchaser. Notwithstanding the provisions of this Resolution setting forth the conditions and requirements of a sale of the Refunding Bonds to the MFA, any series of Refunding Bonds may, if deemed appropriate by an Authorized Officer, be sold to (i) the Underwriters pursuant to a bond purchase agreement or (ii) a bank or other financial institution qualified by law to purchase and take delivery of such Refunding Bonds for its own investment, pursuant to a purchase contract, in which case (A) such purchaser shall deliver an investor letter in a form acceptable to an Authorized Officer and (B) the City's obligations hereunder relating to the Preliminary Official Statement, Official Statement and Undertaking shall not apply.

Section 312. Act 279 Approvals of the Refunding Bonds. The Refunding Bonds shall neither be issued nor delivered unless and only so long as the issuance of the Refunding Bonds as provided herein shall have been authorized and approved by the Board and the State Treasurer in accordance with Section 36a of Act 279.

ARTICLE IV SPECIAL COVENANTS

Section 401. Tax Exemption Covenant for Tax-Exempt Bonds. The City covenants that it will not take any action, or fail to take any action required to be taken, if taking such action or failing to take such action would adversely affect the general exclusion from gross income of interest on any Tax-Exempt Bonds, from federal income taxation under the Code.

Section 402. Arbitrage Covenant. (a) The City will not directly or indirectly (1) use or permit the use of any proceeds of any Tax-Exempt Bonds or other funds of the City or (2) take or omit to take any action required by Section 148(a) of the Code in order to maintain the exclusion from gross income of the interest on any Tax-Exempt Bonds for federal income tax purposes. To that end, the City will comply with all requirements of Section 148 of the Code to the extent applicable to the Bonds and the requirements set forth in the Non-Arbitrage and Tax Compliance Certificate of the City.

(b) Without limiting the generality of subsection (a), above, the City agrees that there shall be paid by the City from time to time all amounts, if any, required to be rebated to the

United States pursuant to Section 148(f) of the Code. This covenant shall survive payment in full or defeasance of the Tax-Exempt Bonds.

(c) Notwithstanding any provision of this Section, if the City obtains an opinion of Bond Counsel to the effect that any action required under this Section is no longer required, or that some further action is required, to maintain the exclusion from gross income of the interest of any Tax-Exempt Bonds for federal income tax purposes pursuant to Section 103 of the Code, the City may conclusively rely on such opinion in complying with the provisions hereof.

ARTICLE V UTGO BONDS FUNDS AND ACCOUNTS; DISPOSITION OF UTGO BOND PROCEEDS

Section 501. Establishment of Accounts and Funds. The City hereby establishes and creates the following special, separate and segregated accounts and funds which shall be held for and on behalf of the City by a bank or banks or other financial institution which an Authorized Officer or City's Deputy Chief Financial Officer-Treasurer designates as depository or trustee of the City:

- A. UTGO Debt Retirement Fund;
- B. UTGO Bond Issuance Fund; and
- C. Construction Fund.

Each Authorized Officer is hereby authorized to establish such accounts, subaccounts or funds as shall be required for the UTGO Bonds, if any, to accommodate the requirements of such series of UTGO Bonds, including, but not limited to, such accounts, subaccounts or funds necessary to facilitate the allocation and use of bond proceeds to finance the Projects or the purchase and payment of variable rate bonds. Each Authorized Officer is hereby authorized to allocate any net original issue premium, if any, received upon the sale of the UTGO Bonds to such accounts and in such amounts as permitted by applicable law and the Code.

Section 502. UTGO Debt Retirement Fund. From the proceeds of the sale of the UTGO Bonds there shall be set aside in the UTGO Debt Retirement Fund the accrued interest, if any, received from the purchasers of the UTGO Bonds at the time of delivery of the UTGO Bonds, together with capitalized interest. Proceeds of all taxes levied pursuant to Section 301 hereof and any amounts transferred from the Construction Fund under Section 504 hereof shall be used to pay the principal of and interest on the UTGO Bonds when due. The foregoing amounts shall be placed in the UTGO Debt Retirement Fund, and so long as the principal of or interest on the UTGO Bonds shall remain unpaid, no moneys shall be withdrawn from the UTGO Debt Retirement Fund except to pay such principal and interest. Any amounts remaining in the UTGO Debt Retirement Fund after payment in full of the UTGO Bonds shall be retained by the City to be used for any lawful purpose.

Section 503. UTGO Bond Issuance Fund. From the proceeds of the UTGO Bonds there shall be set aside in the Bond Issuance Fund a sum sufficient to pay the costs of issuance of the UTGO Bonds. Moneys in the Bond Issuance Fund shall be used solely to pay expenses of issuance of the related series of UTGO Bonds. Any amounts remaining in the Bond Issuance Fund after payment of issuance expenses shall be transferred to the Construction Fund. The

UTGO Sale Order for each series of UTGO Bonds shall set forth the allocation of proceeds of the UTGO Bonds set aside in the Bond Issuance Fund among the applicable 2004 Ballot Proposals and 2009 Ballot Proposals.

Section 504. Construction Fund. (a) After making the deposits required by Sections 502 and 503, the proceeds of the UTGO Bonds shall be deposited into the Construction Fund in a manner that provides for the tracking of the allocation of proceeds of the UTGO Bonds among Ballot Proposals corresponding to the applicable Projects.

(b) Except for investment pending disbursement and as hereinafter provided, moneys in the Construction Fund shall be used by the City solely and only to pay the costs of the Projects as such costs become due and payable, capitalized interest, if necessary, and, if necessary and upon the advice of Bond Counsel, moneys in either Construction Fund shall be used by the City to rebate arbitrage earnings earned on moneys deposited in the related Construction Fund, if any, to the United States Department of Treasury as required by the Code.

(c) Each Authorized Officer is hereby authorized to expend money from the Construction Fund and the accounts thereof established hereunder, for costs of the related Voter Authorized Purposes, including reimbursement to the City for moneys previously expended on the Projects, to the extent reimbursement for such expenditures has been properly induced by resolution of the City Council in accordance with the Code, if required.

(d) Gross proceeds or disposition proceeds, as defined in the regulations under Code Sections 141 and 148, respectively, resulting from any sale of any portion of the Projects financed with the proceeds of Tax-Exempt Bonds shall be deposited in separate accounts established in the Construction Fund and used in the discretion of an Authorized Officer to pay additional costs of such Projects or transferred to the Debt Retirement Fund and used to pay the principal of or interest on the Bonds. An Authorized Officer shall assure that such gross proceeds or disposition proceeds are invested and expended in accordance with the requirements specified in Section 505 hereof and in the Non-Arbitrage and Tax Compliance Certificate.

(e) Upon payment of all costs of the Projects, any balance in the Construction Fund shall be transferred to the UTGO Debt Retirement Fund or used in any other manner which in the opinion of nationally recognized bond counsel is permitted by law and which in the case of such balance allocable to Tax-Exempt Bonds will not cause the interest on any Tax-Exempt Bonds to become includible in gross income for federal income tax purposes.

Section 505. Investment of Monies in the UTGO Bonds Funds and Accounts. (a) An Authorized Officer shall direct the investment of monies on deposit in the Funds and Accounts established hereunder.

(b) Monies on deposit in the funds and accounts established under this Article V may be invested in such investments and to the extent permitted by applicable law.

ARTICLE VI
REFUNDING BONDS FUNDS AND ACCOUNTS; DISPOSITION OF REFUNDING
BOND PROCEEDS

Section 601. Establishment of Accounts and Funds. (a) Each Authorized Officer is hereby authorized to establish such accounts, subaccounts or other funds as shall be required for the Refunding Bonds, including but not limited to:

- A. Refunding Bonds Debt Retirement Fund;
- B. Refunding Bond Issuance Fund; and
- C. Repurchase Escrow Fund.

Each Authorized Officer is hereby authorized to establish such accounts, subaccounts or funds as shall be required for the repurchase of the Repurchased Bonds and the issuance and delivery of the Refunding Bonds, if any, to accommodate the requirements of such series of Refunding Bonds, including, but not limited to, such accounts, subaccounts or funds necessary to facilitate the purchase and payment of variable rate bonds. Each Authorized Officer is hereby authorized to allocate any net original issue premium, if any, received upon the sale of the Refunding Bonds to such accounts and in such amounts as permitted by applicable law.

Section 602. Refunding Bonds Debt Retirement Fund. From the proceeds of the sale of the Refunding Bonds there shall be set aside in the Refunding Bonds Debt Retirement Fund the accrued interest, if any, received from the purchaser of the Refunding Bonds at the time of sale and delivery of the Refunding Bonds. Any general funds of the City and proceeds of all taxes levied pursuant to Section 302 hereof deposited in the Refunding Bonds Debt Retirement Fund, monies constituting Additional Security, and any amounts transferred from the Repurchase Escrow Fund under Section 604 hereof shall be used to pay the principal of and interest on the Refunding Bonds when due. The foregoing amounts shall be placed in the Debt Retirement Fund and held in trust by the Trustee, and so long as the principal of or interest on the Bonds shall remain unpaid, no moneys shall be withdrawn from the Debt Retirement Fund except to pay such principal and interest. Any amounts remaining in the Debt Retirement Fund after payment in full of the Refunding Bonds shall be retained by the City to be used for any lawful purpose.

Section 603. Refunding Bond Issuance Fund. From the proceeds of the Refunding Bonds there shall be set aside in the Bond Issuance Fund a sum sufficient to pay the costs of issuance of the Refunding Bonds. Moneys in the Refunding Bond Issuance Fund shall be used solely to pay expenses of issuance of the Refunding Bonds. Any amounts remaining in the Refunding Bond Issuance Fund after payment of issuance expenses shall be transferred to the Refunding Bonds Debt Retirement Fund.

Section 604. Repurchase Escrow Fund. If the repurchase of the Repurchased Bonds necessitates the establishment of an escrow fund, then after making the deposits required by Sections 602 and 603, there shall be deposited from the remainder of the proceeds of the sale of the Refunding Bonds and any moneys transferred by the City at the time of delivery of the Bonds from the debt retirement funds for the Repurchased Bonds, into the Repurchase Escrow Fund (which shall be maintained in cash or invested in direct obligations of or obligations guaranteed by the United States of America, not redeemable at the option of the issuer), an amount, as

hereinafter described, sufficient to pay the principal of and interest on the Repurchased Bonds as they become due and, except as otherwise herein provided, shall be used only for such purposes. The Repurchase Escrow Fund shall be irrevocably held by U.S. Bank National Association, Detroit, Michigan as repurchase escrow trustee (the "Repurchase Escrow Trustee") in trust pursuant to a repurchase escrow deposit agreement between the City and the Repurchase Escrow Trustee (the "Repurchase Escrow Agreement"), which Repurchase Escrow Agreement shall irrevocably direct the Repurchase Escrow Trustee to take all necessary steps to pay the principal of and interest on the Repurchased Bonds when due and to provide for the City's repurchase of the Repurchased Bonds in whole or in part, as and when specified in the Repurchase Escrow Agreement. The amounts, including the investments thereof, held in the Repurchase Escrow Fund shall be such that the cash and investments and income received thereon will be sufficient, without any reinvestment, to pay the purchase price of the Repurchased Bonds as required by this Section. Any balance remaining in the Repurchase Escrow Fund after payment in full of the purchase price of the Repurchased Bonds shall be transferred to the Refunding Bonds Debt Retirement Fund.

The Repurchase Escrow Trustee means and includes any company into which the Repurchase Escrow Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Repurchase Escrow Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a trust company or bank which is qualified to be a successor to the Repurchase Escrow Trustee as determined by an Authorized Officer, shall be authorized by law to perform all the duties imposed upon it by this Resolution, shall be the successor to the Repurchase Escrow Trustee without the execution or filing of any paper or the performance of any further act, anything herein to the contrary notwithstanding.

The Council hereby authorizes each Authorized Officer to approve the form of and to execute the Repurchase Escrow Agreement with the Repurchase Escrow Trustee for and on behalf of the City.

Section 605. Investment of Monies in the Refunding Bonds Funds and Accounts. (a) An Authorized Officer shall direct the investment of monies on deposit in the Funds and Accounts established hereunder, and the Transfer Agent and the Repurchase Escrow Trustee, upon written direction or upon oral direction promptly confirmed in writing an Authorized Officer, shall use its best efforts to invest monies on deposit in the Funds and Accounts in accordance with such direction.

(b) Monies on deposit in the funds and accounts established under this Article VI may be invested in such investments and to the extent permitted by applicable law.

ARTICLE VII REPURCHASE OF THE PRIOR BONDS

Section 701. Method of Repurchase. Each Authorized Officer is hereby authorized to effect the repurchase of the outstanding Prior Bonds by means of one or more tenders, direct or indirect open market repurchases, exchanges of debt (including but not limited to exchanges involving some or all of the Bonds), other means of repurchase or any combination of the

foregoing. The repurchase of the outstanding Prior Bonds may be accomplished using the proceeds of the Refunding Bonds, funds on hand of the City, or both, in the discretion of an Authorized Officer.

Section 702. Authorization to Enter into Repurchase Agreement; Approval of Initial Repurchase Agent. In connection with the repurchase of all or any portion of the outstanding Prior Bonds, the Mayor and Chief Financial Officer are authorized to enter into one or more Repurchase Agreements with the Underwriters, which are hereby approved to serve collectively as the Repurchase Agent under the Repurchase Agreement for the initial repurchase of the Repurchased Bonds. Each Authorized Officer is to take all actions necessary to carry out the obligations of the City thereunder. The authorization to enter into the Repurchase Agreement and approval of the Repurchase Agreement shall not be construed to limit in any way the ability of the City to enter into subsequent or contemporaneous agreements with other parties related to the repurchase of any of the outstanding Prior Bonds.

Section 703. Authorization of Actions in Connection with Repurchase. Each Authorized Officer is hereby authorized to (i) approve and deliver any and all notices, solicitations and disclosures (including but not limited to invitations to tender and related information statements), (ii) negotiate, execute and deliver any and all agreements, (iii) file any and all documents with state or federal agencies, (iv) seek any and all approvals and (v) take all other actions necessary or appropriate to accomplish the repurchase of the Repurchased Bonds as contemplated by this Article VII.

ARTICLE VIII DEFEASANCE

Section 801. Defeasance. Bonds shall be deemed to be paid in full upon the deposit in trust of cash or direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America, or any combination thereof, not redeemable at the option of the issuer thereof, the principal and interest payments upon which, without reinvestment thereof, will come due at such times and in such amounts, as to be fully sufficient to pay when due, the principal of such Bonds and interest to accrue thereon, as confirmed by a verification report prepared by an independent certified public accountant. Such cash and securities representing such obligations shall be deposited with a bank or trust company and held for the exclusive benefit of the Owners of such Bonds. After such deposit, such Bonds shall no longer be entitled to the benefits of this Resolution (except for any rights of transfer or exchange of Bonds as therein or herein provided for) and shall be payable solely from the funds deposited for such purpose and investment earnings, if any, thereon, and the lien of this Resolution for the benefit of such Bonds shall be discharged.

ARTICLE IX REIMBURSEMENT PROVISIONS

Section 901. Advancement of Costs of the Projects. The City may advance certain costs of the Projects from the City's general fund prior to the issuance of the UTGO Bonds. The City intends to reimburse itself for any costs of the Projects paid or incurred by the City prior to the issuance of the UTGO Bonds with proceeds of the UTGO Bonds. The Internal Revenue Service has issued Treasury Regulation Section 1.150-2 pursuant to the Code, governing proceeds of tax-

exempt bonds used for reimbursement, pursuant to which the City must declare official intent to reimburse expenditures with bond proceeds as provided in Section 902 below.

Section 902. Reimbursement Declarations. The City makes the following declarations for the purpose of complying with the reimbursement rules of Treas. Reg. Section 1.150-2 pursuant to the Code:

(a) The City reasonably expects to reimburse itself with proceeds of the Bonds for certain costs of the Projects which were paid or will be paid from funds of the City subsequent to sixty (60) days prior to the date hereof.

(b) The maximum principal amount of debt expected to be issued for the Projects, including issuance costs, is \$255,000,000.

(c) A reimbursement allocation of the capital expenditures described above with the proceeds of the UTGO Bonds will occur not later than 18 months after the later of (i) the date on which the expenditure is paid, or (ii) the date the Projects are placed in service or abandoned, but in no event more than three (3) years after the original expenditure is paid. A reimbursement allocation is an allocation in writing that evidences the City's use of the proceeds of the Bonds to reimburse the City for a capital expenditure made pursuant to this resolution.

ARTICLE X OTHER PROVISIONS OF GENERAL APPLICATION

Section 1001. Credit Enhancement. There is hereby authorized to be obtained a Municipal Bond Insurance Policy or other credit enhancement or a combination thereof to secure the payment of all or part of the Bonds, if, and provided that, it shall be determined by an Authorized Officer that such cost of such Municipal Bond Insurance Policy or other credit enhancement or a combination thereof is less than the interest rate savings therefrom or otherwise that it is in the best interest of the City. In the event a commitment for a Municipal Bond Insurance Policy is obtained or a commitment for other credit enhancement is obtained, each Authorized Officer is hereby authorized to approve the terms, perform such acts and execute such instruments that shall be required, necessary or desirable to effectuate the terms of such commitment and the transactions described therein and in this Resolution and the Sale Order provided that such terms are not materially adverse to the City.

Section 1002. Approval of Other Documents and Actions; Treasury Approval. The Authorized Officers, the City Clerk and any other officers or employees of the City are hereby authorized and directed on behalf of the City to take any and all other actions, perform any and all acts and execute any and all documents that shall be required, necessary or desirable to implement this Resolution, including amending the Fiscal Year 2018-2019 budget by decreasing appropriation 20507 CoD Capital Projects 2019 by \$13,099,618 and increasing appropriation 20253 Blight Remediation by \$13,099,618 due to the fact that a portion of the Projects were previously funded with appropriation 20507 CoD Capital Projects 2019. The Bonds shall neither be sold nor issued unless and only so long as the issuance of the Bonds as provided herein shall have been authorized and approved in accordance with the applicable provisions of Act 34 and Act 279.

Each Authorized Officer is hereby authorized to file applications with and to pay the related fees, if any, to the Michigan Department of Treasury (the "Department") at his discretion under Act 34 for an Order or Orders of Approval to issue all or a portion of the Bonds; to file applications with the Department for a waiver of the refunding bonds savings requirement and a waiver of the investment grade rating requirement; to enter into a supplement to or amendment of that certain Debt Millage Deposit Escrow Agreement between itself and U.S. Bank National Association, as escrow trustee, dated August 11, 2016, and to enter into one or more dealer-manager agreements, remarketing agreements, indentures, letters of credit and reimbursement agreements, agreements for the pledge and intercept of Distributable State Aid, and such waivers or other Treasury approvals as necessary to implement the sale, delivery and security for the Bonds, and as required by the Michigan Department of Treasury and Act 34. Each Authorized Officer is hereby authorized to pay any post-closing filing fees required by Act 34 to the Michigan Department of Treasury or other specified agency, as a cost of issuance or from other legally available funds.

Section 1003. Continuing Disclosure Undertaking. The City shall enter into a continuing disclosure undertaking pursuant to Rule 15c2-12 promulgated by the Securities and Exchange Commission (the "Rule") for the benefit of the holders and beneficial owners of the Bonds (or, in the case of the Refunding Bonds, holders and beneficial owners of the MFA Bonds) as to which the Rule is applicable, as more specifically set forth in Exhibit B hereto (the "Undertaking"); provided, however, that the terms of the Undertaking are subject to completion and modification prior to delivery of the Bonds to such extent as an Authorized Officer shall deem necessary to comply with law or market requirements of the Underwriters. Each Authorized Officer is hereby authorized to execute and deliver the Undertaking after completion and modification as provided in this Resolution and the Sale Order.

Section 1004. Delegation to Authorized Officers. (a) Prior to the sale date or dates for the Bonds, an Authorized Officer shall cause the preparation and approve the form and distribution of necessary City disclosure for any Preliminary Official Statement or Official Statement and other offering materials to be used in conjunction with the sale or offering of the Bonds, and an Authorized Officer shall deem the City's disclosure "final" for purposes of Rule 15c2-12 of the Securities and Exchange Commission. An Authorized Officer shall also make such information available to the Repurchase Agent for use in solicitation materials in connection with the repurchase of the Repurchased Bonds.

(b) Pursuant to the authority of Section 315(1)(d) of Act 34, each Authorized Officer is hereby authorized to make the following determinations with respect to the Bonds within the parameters of this Resolution: (i) to determine the principal amounts of the Bonds to be issued on a fixed or variable interest rate basis and tax exempt or taxable basis; (ii) to determine the interest rate provisions, tender and other requirements for Bonds issued on a variable rate basis; (iii) to determine and allocate the amount of proceeds of the UTGO Bonds to the various Projects; (iv) to negotiate the terms for the sale of the Bonds to the Underwriters or MFA, as applicable; (v) to cause the Preliminary Official Statement and the final Official Statement for the Bonds to be prepared and circulated; (vi) to file an application or applications to the Department for prior approval to issue the Bonds, to file an application with the Department for a waiver of the refunding bonds savings requirement, to file an application with the Department for a waiver of the ratings requirement and to make such other filings with and to pay any post

issuance fees to the Department as required by Act 34; (vii) to request approval from the Treasurer of the State and the Emergency Loan Board established under Act 243, Public Acts of Michigan, 1980, as amended; and (viii) to take such other actions and make such other determinations as may be necessary to accomplish the sale and delivery of the Bonds and the transactions contemplated by this Resolution, as shall be confirmed in the Sale Order.

(c) Each Authorized Officer is hereby authorized to do and perform any and all acts and things with respect to the Bonds which are necessary and appropriate to carry into effect, consistent with this Resolution, the authorizations therein and herein contained, including without limitation, the securing of ratings by bond rating agencies, if cost effective, the negotiation for and acquisition of bond insurance and/or other credit enhancement, if any, to further secure the Bonds or any portions thereof, the acquisition of an irrevocable surety bond to fulfill the City's obligation to fund any reserve account, the printing of the Bonds and the incurring and paying of reasonable fees, costs and expenses incidental to the foregoing and other costs of issuance of the Bonds including, but not limited to fees and expenses of bond counsel, financial advisors, accountants and others, from Bond proceeds or other available funds, for and on behalf of the City.

(d) Except as otherwise provided herein, all determinations and decisions of an Authorized Officer with respect to the issuance and sale of the Bonds as permitted or required by this Resolution shall be confirmed in a Sale Order or Sale Orders, and such confirmations shall constitute determinations that any conditions precedent to such determinations and decisions of any Authorized Officer have been fulfilled.

Section 1005. Approving Legal Opinions with Respect to the Bonds. Sale of the Bonds shall be conditioned upon receiving, at the time of delivery, the approving opinion of Bond Counsel, approving legality of the Bonds and, with respect to Bonds determined by an Authorized Officer to be issued on a tax-exempt basis, the exclusion from gross income of the interest paid thereon from federal and State income taxation only.

Section 1006. Negotiated Sale; Award. (a) Pursuant to Section 309(1) of Act 34 the Council determines to sell the Bonds at a negotiated sale. The UTGO Bonds shall be sold by negotiated sale to the Underwriters pursuant to a Bond Purchase Agreement, at prices and on terms and conditions provided in the Bond Purchase Agreement approved by an Authorized Officer within the parameters established hereby, and confirmed in the Sale Order. Except as provided in Section 311, the Refunding Bonds shall be sold by negotiated sale to the MFA, all as determined by an Authorized Officer in the applicable Purchase Contract, at prices and on terms and conditions provided in the Purchase Contract approved by an Authorized Officer within the parameters established hereby, and confirmed in the Sale Order delivered in connection with such series of Bonds.

The reasons for choosing a negotiated sale instead of a competitive sale include the belief of Council based on recommendation of the Chief Financial Officer that a negotiated sale will allow the Bonds to be offered to investors in the most efficient manner possible while also allowing sufficient flexibility to adjust to market structuring and timing demands in order to result in the lowest possible borrowing costs for the City.

Section 1007. Delivery of Bonds. Subject to the provisions of the Sale Order, each Authorized Officer is hereby authorized to deliver the Bonds to the Underwriters or MFA, as applicable, upon receiving the purchase price therefor in lawful money of the United States.

Section 1008. Official Statement. Each Authorized Officer is hereby authorized to execute the Official Statement or other offering materials with respect to the Bonds in the form approved by him with such changes as an Authorized Officer may authorize. Such Official Statement or other offering materials to be used in conjunction with the sale or offering of the Bonds are hereby authorized to be printed and used by the Underwriters in connection with the sale of the Bonds (or the MFA Bonds) to the public. Circulation of the Preliminary Official Statement, if any, or other preliminary offering materials by the Underwriters is hereby approved.

Section 1009. Appointment of Bond Counsel; Engagement of Other Parties. The appointment of the law firm of Miller, Canfield, Paddock and Stone, P.L.C. of Detroit, Michigan, as Bond Counsel for the Bonds is hereby ratified and confirmed, notwithstanding the periodic representation by Miller, Canfield, Paddock and Stone, P.L.C., in unrelated matters of other parties and potential parties to the issuance of the Bonds. The fees and expenses of Miller, Canfield, Paddock and Stone, P.L.C. as Bond Counsel and other accumulated bond related fees and expenses shall be payable as a cost of issuance from proceeds of the Bonds or other available funds in accordance with the letter of such firm on file with the City.

Each Authorized Officer is hereby authorized to engage other consultants, financial advisors, or other parties as he deems necessary and appropriate in connection with the sale, issuance and delivery of the Bonds and to pay the fees and expenses thereof from the proceeds of the Bonds or other available funds.

Section 1010. No Recourse Under Resolution. All covenants, agreements and obligations of the City contained in this Resolution shall be deemed to be the covenants, agreements and obligations of the City and not of any councilperson, member, officer or employee of the City in his or her individual capacity, and no recourse shall be had for the payment of the principal of or interest on the Bonds or for any claim based thereon or on this Resolution against any councilperson, member, officer or employee of the City or any person executing the Bonds in his or her official individual capacity.

Section 1011. Severability. If any one or more sections, clauses or provisions of this Resolution shall be determined by a court of competent jurisdiction to be invalid or ineffective for any reason, such determination shall in no way affect the validity and effectiveness of the remaining sections, clauses and provisions hereof.

Section 1012. Cover Page, Table of Contents and Article and Section Headings. The cover page, table of contents and Article and Section headings hereof are solely for convenience of reference and do not constitute a part of this Resolution, and none of them shall affect its meaning, construction or effect.

Section 1013. Conflict. All resolutions or parts of resolutions or other proceedings of the City in conflict herewith shall be and the same hereby are repealed insofar as such conflict exists.

Section 1014. Governing Law and Jurisdiction. This Resolution shall be governed by and construed in accordance with the laws of the State.

Section 1015. Resolution and Sale Order are a Contract. The provisions of this Resolution and the Sale Order shall constitute a contract between the City, the Bondholders (including in the case of MFA Bonds, the MFA), and the Bond Insurer, if any.

Section 1016. Effective Date. This Resolution shall take effect immediately upon its adoption by the Council.

Capitalized terms used but not defined herein shall have the definitions ascribed them in the Bond Resolution (defined herein).

For the permission to issue and deliver financial recovery refunding bonds in one or more series in a maximum aggregate principal amount not to exceed \$220,000,000 for the purpose of enabling the City of Detroit, County of Wayne, State of Michigan (the “City”) to refund a portion of its Financial Recovery Bonds, Series 2014B (the “2014 Bonds”), which were originally issued pursuant to Section 36a of the Home Rule City Act, Act 279 Public Acts of Michigan, 1909, as amended (“Act 279”), in satisfaction of certain claims of creditors as provided in the City’s bankruptcy plan of adjustment of debts, the Board determines that:

WHEREAS, on March 1, 2013, a financial emergency was declared to exist within the City pursuant to the Local Government Fiscal Responsibility Act, Act 72, Public Acts of Michigan, 1990, and by operation of law, the financial emergency continued to exist within the City pursuant to the Local Financial Stability and Choice Act, Act 436, Public Acts of Michigan, 2012, as amended, at the time of issuance of the 2014 Bonds; and

WHEREAS, Section 36a of Act 279, authorizes a city to refund its previously issued financial recovery bonds subject to the terms and conditions approved by the Local Emergency Financial Assistance Loan Board created by the Emergency Municipal Loan Act, Act 243, Public Acts of Michigan, 1980, as amended; and

WHEREAS, the City proposes to issue its financial recovery refunding bonds subject to the terms and conditions established in the Bond Authorizing Resolution (the “Bond Resolution”), attached to this Order of Approval, as approved by the Board and confirmed by the Mayor and the Chief Financial Officer of the City (each, an “Authorized Officer” and together the “Authorized Officers”) at the time of sale of the Bonds; and

WHEREAS, the Board, in the exercise of its statutory duties, determines that it is necessary and desirable to authorize the issuance and delivery by the City of financial recovery refunding bonds (the “Bonds”) for the purposes set forth in the Bond Resolution; and

WHEREAS, pursuant to Section 36a of Act 279, the Board shall not approve any term or condition that materially alters any existing term, condition, lien, or priority that applied to the 2014 Bonds before the refunding if the approval would constitute an impermissible contract impairment; and

WHEREAS, the Board has determined that the Bonds do not contain, nor does the refunding of the 2014 Bonds cause to exist, any term or condition that materially alters any existing term, condition, lien, or priority that applied to the 2014 Bonds before the refunding which, if approved, would constitute an impermissible contract impairment; and

WHEREAS, in order to facilitate the issuance and delivery by the City of the Bonds, it is necessary and proper for the Board to approve certain terms and conditions.

NOW, THEREFORE, be it ordered by the Board that the application of the City of Detroit to issue and deliver the Bonds in a maximum principal amount not to exceed two hundred twenty million dollars (\$220,000,000), for the purpose of enabling the City to refund a portion of the 2014 Bonds, is hereby approved subject to the conditions set forth herein.

Conditions

1. The Board hereby authorizes the issuance, execution, and delivery of the Bonds by the City, through its Mayor, Chief Financial Officer and Chief Deputy CFO/Finance Director, in one or more series designated DISTRIBUTABLE STATE AID FIFTH LIEN FINANCIAL RECOVERY REFUNDING BONDS, SERIES 2018 (TAXABLE), in a maximum aggregate principal amount determined and approved by the Authorized Officers at the time of sale, but not to exceed two hundred twenty million dollars (\$220,000,000). The Bonds shall be dated as of the date of delivery and be payable at the times and in the amounts set out in the Bond Resolution attached to this Order of Approval, or other dates and amounts determined by the Authorized Officers at the time of sale of the Bonds.

2. The Bonds shall be issued as serial bonds, term bonds, or both, as shall be determined by the Authorized Officers at the time of sale of the bonds. The Bonds shall bear interest at the stated rates for the respective maturities and shall be payable as to principal and interest at the times determined by the Authorized Officers at the time of sale of the Bonds, provided that the highest rate of interest shall not exceed the maximum rate set out in the Bond Resolution attached to this Order of Approval. The Bonds may be subject to redemption or call for purchase prior to maturity at the times and prices and in the manner established by the Authorized Officers at the time of sale of the Bonds. The Bonds shall be issued in fully registered form in the denominations provided in the Bond Resolution.

3. The Bonds shall be payable as a first budget obligation of the City from its general funds and in case of an insufficiency thereof, from the proceeds of an annual levy of ad valorem taxes on all taxable property in the City, subject to applicable, constitutional, statutory and charter tax rate limitations. As additional security for the payment of principal of and interest on the Bonds pursuant to the authorization provided in the Shared Credit Rating Act, Act 227, Public Acts of Michigan, 1985, as amended, the City is pledging, on a fifth lien priority basis, distributable state aid payments that the City is eligible to receive pursuant to the Michigan Constitution and the Glenn Steil Revenue Sharing Act, Act 140, Public Acts of Michigan, 1971, as amended.

4. The City shall enter into such agreements as are necessary to effectuate the terms of the Bond Resolution, with such changes as approved by the Authorized Officer at the time of sale of the Bonds, to secure payment of the principal of, premium if any, and interest on the Bonds.

5. Any prior Orders or other proceedings of the Board in conflict with this Order of Approval are repealed insofar as such conflict exists.

6. Copies of all such documents as are necessary for the City, through its Authorized Officer and its bond counsel, to complete and execute for the purposes of effectuating the issuance and delivery of the Bonds authorized by this Order of Approval, shall be filed with the Office of the State Treasurer within 30 calendar days of their completion and execution.
