**Receipts and Distribution of Indian Casino Revenue  
by Local Revenue Sharing Boards Report  
2012**

Section 973 (6) of Public Act 200 of 2012 requires Treasury to report to the House and Senate Appropriations Committees and the State Budget Director on the receipts and distribution of Indian Casino revenues by local revenue sharing boards (local government units).

Under the Consent Judgment, the seven tribes who signed the August 1993 Tribal-State Gaming Compact are required to pay 2 percent of their net win to local units of government in the immediate vicinity of each tribal casino, where net win is defined as the total amount wagered on each electronic game of chance, minus the total amount paid to players for winning wagers at said electronic machines. The seven tribes who signed the Consent Judgment are: Bay Mills Indian Community, Grand Traverse Band of Ottawa and Chippewa Indians, Hannahville Indian Community, Keweenaw Bay Indian Community, Lac Vieux Desert Band of Lake Superior Chippewa, Saginaw Chippewa Indian Tribe and the Sault Ste. Marie Tribe of Chippewa Indians.

Under the December 1998 Compact agreement, the four tribes who gained the right to open a casino in Michigan are required to pay 2 percent of their net win to the Local Revenue Sharing Board (LRSB). The LRSB's sole function is to determine and make allocations of the tribal payments to all local units of government that incur costs for hosting the casinos. The four tribes who signed the Compact are: Little River Band of Ottawa, Little Traverse Bay Band of Odawa, Nottawaseppi Huron Band of Potawatomi, and the Pokagon Band of Potawatomi.

The May 2007 Compact between the State of Michigan and the Match-E-Be-Nash-She-Wish Band of Pottawatomi Indians (known as the Gun Lake Tribe) also provides the requirement of 2 percent of net win to be paid to local units of government.

In 2012, twelve tribes operated casinos in Michigan, under the 1993, 1998, or 2007 Compacts. Historical data through 2011 on the 2 percent payments made by these tribes to their respective local units of government was obtained from the Michigan Gaming Control Board (MGCB) website ([http://www.michigan.gov/documents/2\\_percent\\_Payments\\_76617\\_7.pdf](http://www.michigan.gov/documents/2_percent_Payments_76617_7.pdf), 07/29/2013 release). The 2 percent payment information for 2012 was obtained from the LRSB (directly) and tribes (directly or online), where distribution figures for some entities reflect net payment amounts after investment earnings, undistributed previous years' funds and other fund transfers.

From 1994 through 2012, Native American Tribes operating casinos in Michigan have made total payments of \$319.0 million to local units of government. In 2012, those payments totaled \$28.9 million.
