**Bulletin 9 of 2022
Random Week for Qualified
Business
August 23, 2022**

TO: Assessors and Equalization Directors
FROM: Michigan State Tax Commission
SUBJECT: Random Week for “Qualified Business”

Public Act (PA) 96 of 1994 provides that in certain circumstances the “qualified personal property” for a “qualified business” (usually a leasing company) may be assessed to the user of that personal property rather than to its owner (the leasing company). See State Tax Commission Bulletin No. 16 of 1994 for more information.

PA 96 of 1994 states that one of the requirements of a “qualified business” is that the business must have 30 or fewer employees during a week selected at random each year by the State Tax Commission.

The week selected at random by the State Tax Commission for 2022 assessment purposes is Monday, February 21, 2022, through Sunday, February 27, 2022.

If a certified assessor audits the books and records of a business which claims to be a “qualified business” for 2022 assessment purposes, one of the things the assessor should check is whether the business had 30 or fewer employees during the week of February 21, 2022 through February 27, 2022.
