RE: REVISED TABLE H FOR VALUING GAS DISTRIBUTION PIPELINES

The Michigan Tax Tribunal, in its decision in County of Wayne, et al v Michigan State Tax Commission (Docket No. 273674) directed that the multiplier table to value gas distribution pipelines must be remanded to the STC for revision to account for a corrected reconciled value.

The State Tax Commission, at its meeting on June 5, 2002, approved the attached revised Table H for valuing gas distribution pipelines and related equipment. Revised Table H replaces the original Table H contained in STC Bulletin 1 of 2000.
