

Pilot Program for Transit-Oriented Development (TOD) Planning

Application period¹: 07/22/2024

Available funding: \$10.5M

Pilot Program for Transit-Oriented Development (TOD) Planning aims to fund projects that will improve public transportation and transit

Purpose and goals of the program:

The Pilot Program for TOD Planning helps support FTA's mission of improving public transportation for America's communities by providing funding to local communities to integrate land use and transportation planning around a new fixed guideway or core capacity improvement project.

Any comprehensive or site-specific planning work proposed for funding under this program must be associated with an eligible transit capital project. Projects are not required to be within the Capital Investment Grants Program.

Comprehensive or site-specific planning funded through the program must:

- Examine ways to improve economic development and ridership,
- Foster multimodal connectivity and accessibility,
- Improve transit access for pedestrian and bicycle traffic,
- Engage the private sector,
- · Identify infrastructure needs, and
- Enable mixed-use development near transit stations.

Transit-Oriented Development (TOD) Planning Details

Source: NOFO

Cost sharing requirements vary by project type. In general, the maximum Federal cost-share is 80%. However, applications with a substantial focus on affordable housing might have received up to 100% funding

Match funding requirement: 0-20%

| Description | The Pilot Program for Transit-Oriented Development (TOD) Planning provides funding to communities to integrate land use and transportation planning for a new fixed guideway or core capacity transit project corridor through a comprehensive or site-specific planning study. Planning studies funded through this program examine ways to develop affordable housing near transit, improve economic development and ridership potential, foster multimodal connectivity and accessibility, improve transit access for pedestrian and bicycle traffic, engage the private sector, identify infrastructure needs, and enable mixed-use development near transit stations. | |

| Approx. federal funding available for all awards | \$13-14M per year for FY 2022-2026; averaging ~\$600-700K per award | |
| | More funds were awarded in FY23 so that's why there is less funds for FY24 | |
| Ongoing & past funded | 2023: | |
| projects | Total grants: 20 Total funding: \$17.6M Average funding: ~\$880K | |
| | 2022: | |
| | Total grants: 19 Total funding: \$13.1M Average funding: ~\$690K | |

Examples of past winners from Michigan

Project: Silver Line BRT

Location: Grand Rapids, MI

Award Year: 2018

Funding: \$696,000

Project description: Interurban Transit Partnership (The Rapid) in Michigan received funding to plan for development along the Silver Line Bus Rapid Transit line, which opened in 2014 and connects Grand Rapids, Kentwood and Wyoming, Michigan. **Project:** East Jefferson Avenue Corridor

Location: Detroit, MI

Award Year: 2016

Funding: \$300,000

Project description: The Detroit

Department of Transportation received funding to coordinate planning and development efforts in the East Jefferson Avenue corridor, for which the city is considering a transit investment.

Project: Capital Area Transportation

Authority (CATA) BRT

Location: Lansing and East Lansing, MI

Award Year: 2015

Funding: \$1,250,000

Project description: The Capital Area Transportation Authority (CATA) received funding to work with local jurisdictions, developers and residents to develop new land-use plans for the Michigan/Grand River Avenue corridor, where a bus rapid transit (BRT) system is being planned. CATA is conducting an environmental analysis of the planned 8.5-mile BRT line, which would connect downtown Lansing to Meridian Township.

What you need to apply for a TOD grant

Eligible Entities and Application Process

Eligible applicants:

- State Governments
- Local Governments
- Federally Recognized Tribes and Affiliated Groups
- Transportation Providers and Operators
- U.S. Territories

Applicants and eventual grant recipients under this program must be:

- Existing FTA grantees as of the publication date of the NOFO. A proposer
 must either be the project sponsor of an eligible transit capital project or
 an entity with land use planning authority in an eligible transit capital
 project corridor. Evidence of a partnership between these two types of
 entity will be required unless the applicant has both responsibilities.
- Only one application per transit capital project corridor may be submitted to FTA

For TOD projects advancing to the design and construction phase, the Build America Bureau (Bureau) offers financial assistance for TOD implementation

Key Grant Application Components

Proposals must include a completed **SF–424 Mandatory form** with the following attachments:

- A completed Applicant and Proposal Profile supplemental form for the TOD Pilot Program
- A map of the proposed study area showing the transit project alignment and stations, major roadways, major landmarks, and the geographic boundaries of the proposed comprehensive planning activities
- Documentation of a partnership between the transit project sponsor and an entity in the project corridor with land use planning authority to conduct the comprehensive planning work, if the applicant does not hold both responsibilities
- Documentation of any funding commitments for the proposed comprehensive or site-specific planning work
